“Pure Gold”

*Saint Francis High School
La Cañada, California*

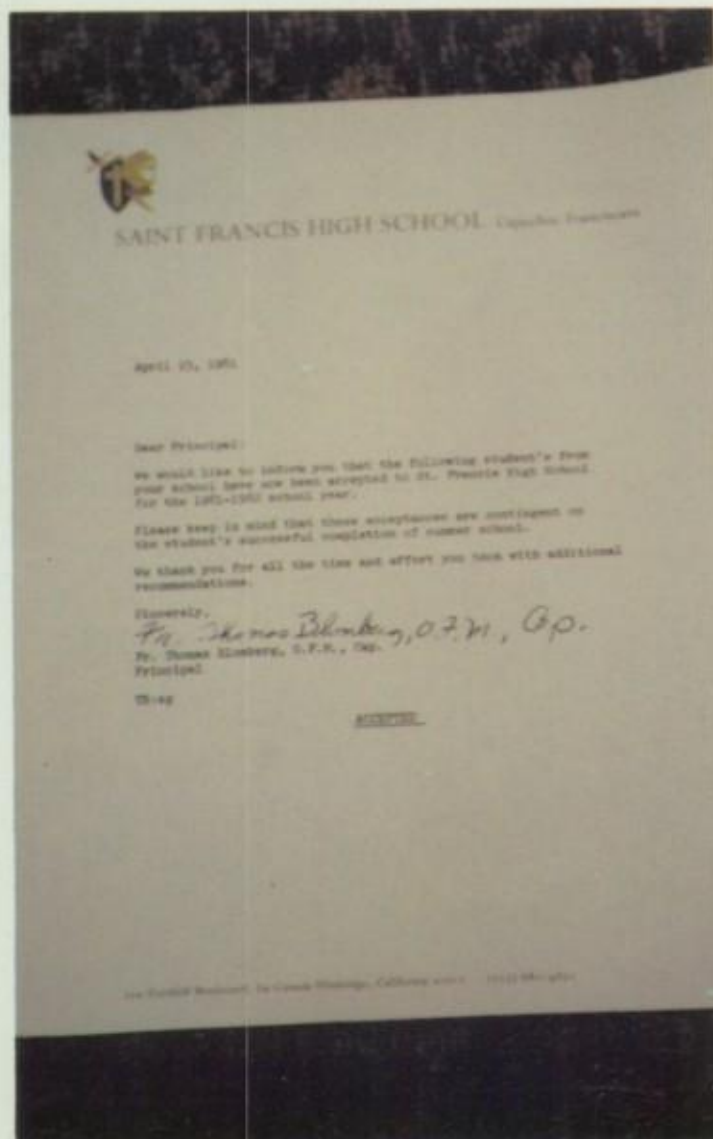

"Adventure, is not outside a man: it is within." ~ Grayson

"Westward Ho!" they shouted. The year was 1849 . . . The destination was California and its mountains; the reason, to strike it rich — to hit pay dirt, to find that elusive and yet highly coveted metal called gold. As their search stretched beyond years

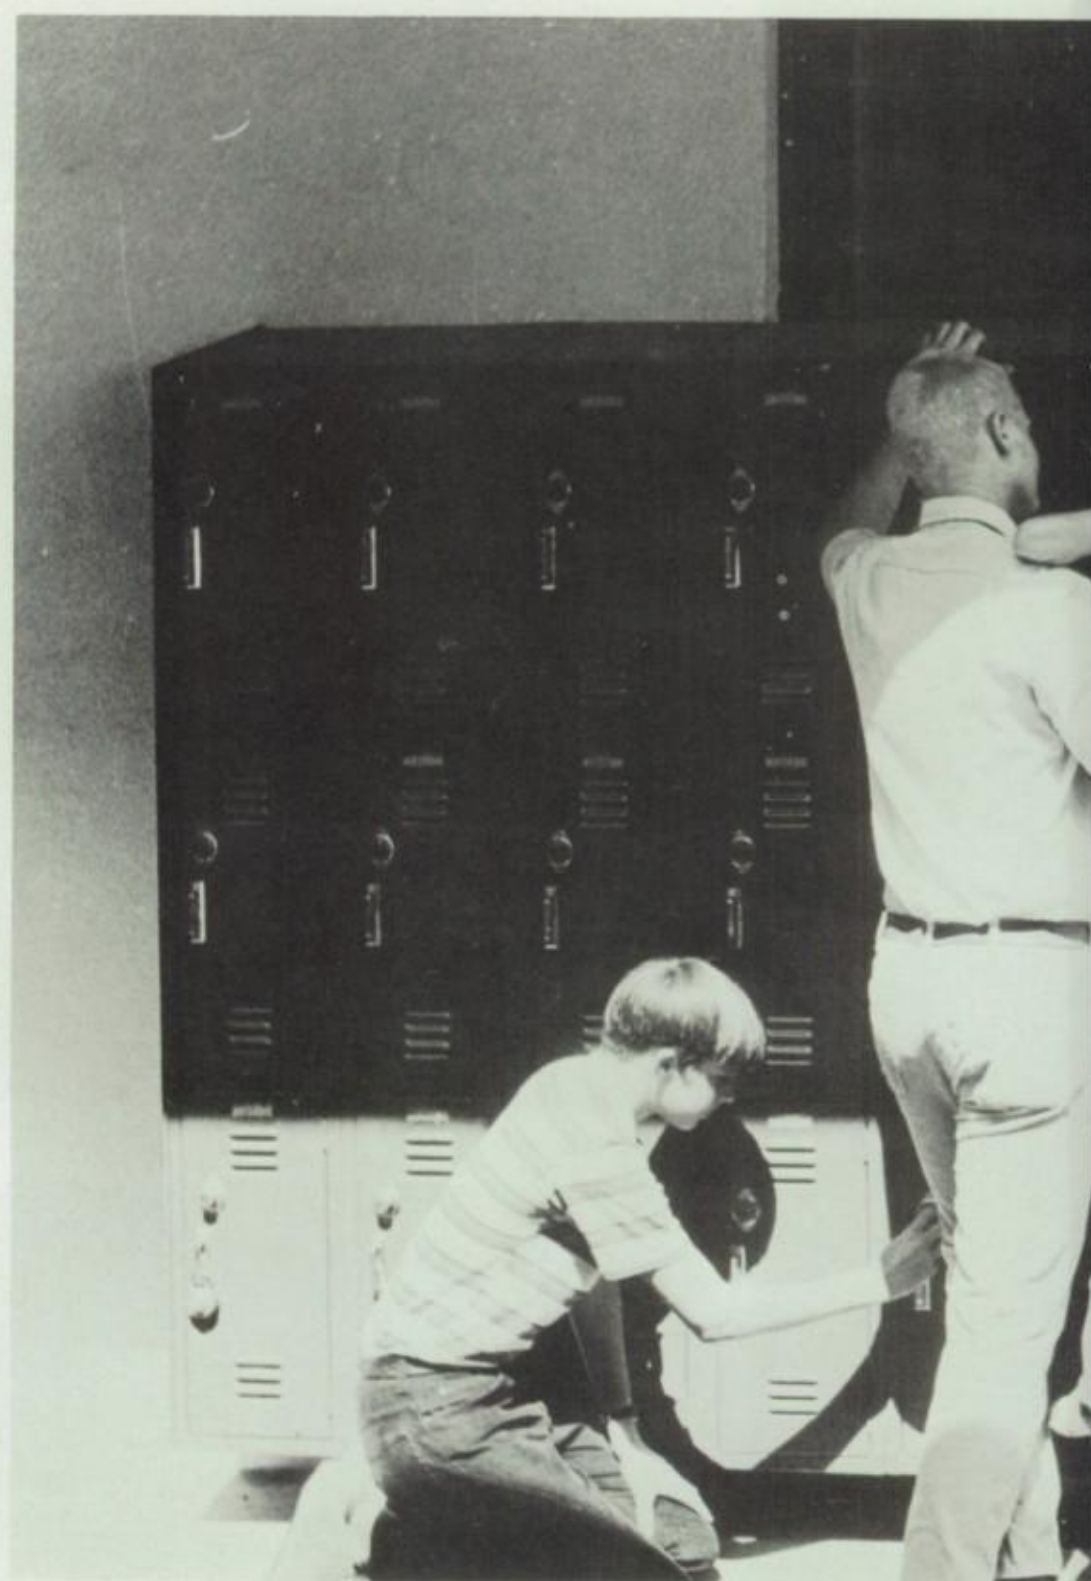

and lingered into decades, those gleamers of gold become California's goldminers. A breed of men were they, whose search for treasure became their life, and for whom this treasure contained life's reward. As they sought this valued ore, they toiled to put purpose — a value in their own life, for in those days only good fortune made one respectable. It took a careful eye, a cautious tongue and a disciplined mind to prospect well. Only a fool staked out a poorly chosen claim. Just as in our society today, a well educated man is highly respected. We also must stake out our goals; by attaining them we add value to our lives.

Yearly, Saint Francis welcomes many "prospecting" students. To make a claim as a Golden Knight brings them the promise of future success; for as the notion of worthlessness cannot be attributed to gold, thus may it not be attributed to a Golden Knight.

"Eureka! I'm rich! I've found gold!" Undoubtedly, such elation accompanied each prospector's first find. He would have imagined that success had arrived and his persistence had paid off. And for the future Golden Knight? Perhaps it would suffice to recall that day, when we opened our letter of acceptance and shared this new-found joy with our family. The gleam of personal satisfaction now shines, for we know that this new knowledge, friends, and membership in the family of Golden Knights, valuable as that unearthed nugget, will benefit us, when our worth must be weighed in the Assayer's balance.

Curley,
It's been a long time
since "Reading Tech." in summer
School, but I'm glad to see that
you have really done well in all
of your endeavors. May God bless you
in all your future plans and may the
Lord's Spirit strengthen you to continue in
His way.
Peace
Br. / Fr. Rick

*"True nobility
is exempt
from fear."
~Shakespeare*

Status symbols have been in vogue since the first value judgement occurred between man. In the time of Christ, gold was considered a sign of royalty. For with gifts of frankincense and myrrh the Magi offered gold. Nobility distinguished in garments of gold eventually led man to believe that gold was not only a symbol of nobility, but an ornamentation which enhanced the body's beauty.

The gold record is a tribute paid to a popular artist in the music industry. It acknowledges complete success, or perfection in the art of music. As the gold record represents these qualities of popularity, success, and perfection, so too are Saint Francis students worthy of such honors.

As in centuries past, the Saint Francis Knight still maintains a code of chivalry. This involves undying loyalty and fidelity to his Alma Mater throughout his future years. He must also help others less fortunate than himself, and must direct newcomers to their new-found goals. Saint Francis students begin their school year adhering to this call to help others. Even before the first day of class, the Saint Francis upperclassmen have given freely of their time to assure a smooth transition for the freshmen. As a knight was commissioned to safeguard the people of his province, so a Golden Knight is expected to assist the needy.

Some status symbols endure, for their presence reminds us of the worthiness of other men's deeds and exhort us to follow in their example. Such is the mettle of the Saint Francis Knight.

"A man's heart is as pure as his surroundings" ~ Michaelson

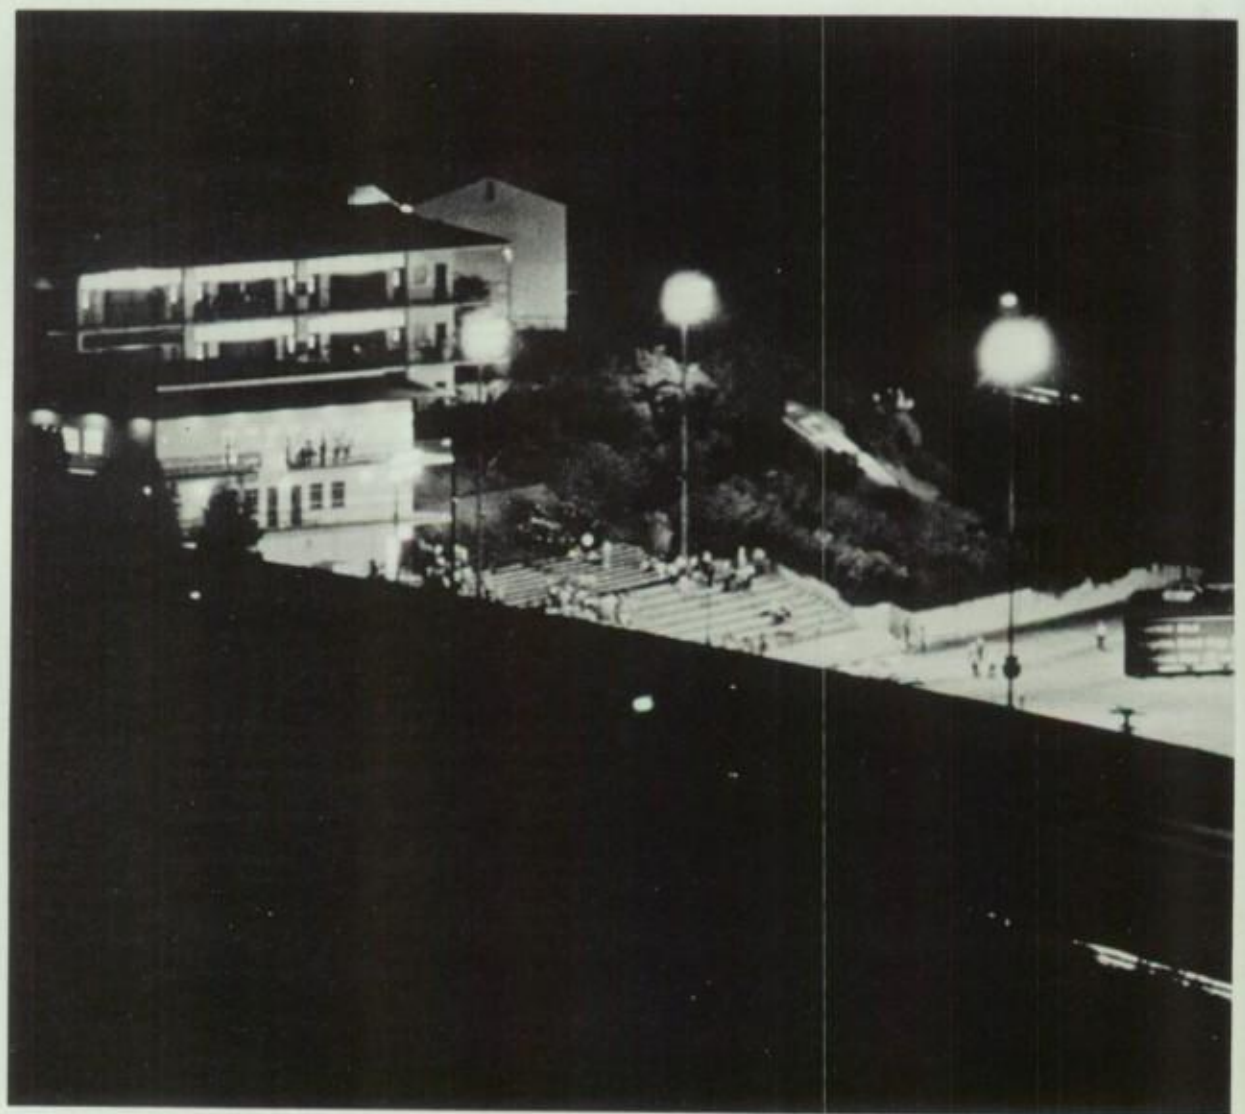

Objects of gold remain pure, and are not easily defiled. Gold as a metal does not fuse with other metals. We, like gold, must remain pure and not destroy the goodness of pure gold. The gold we receive at Saint Francis is a very special gold. It must be kept separate and protected from theft or destruction. We must keep what we have gained and learned, and not bend it in perverse ways.

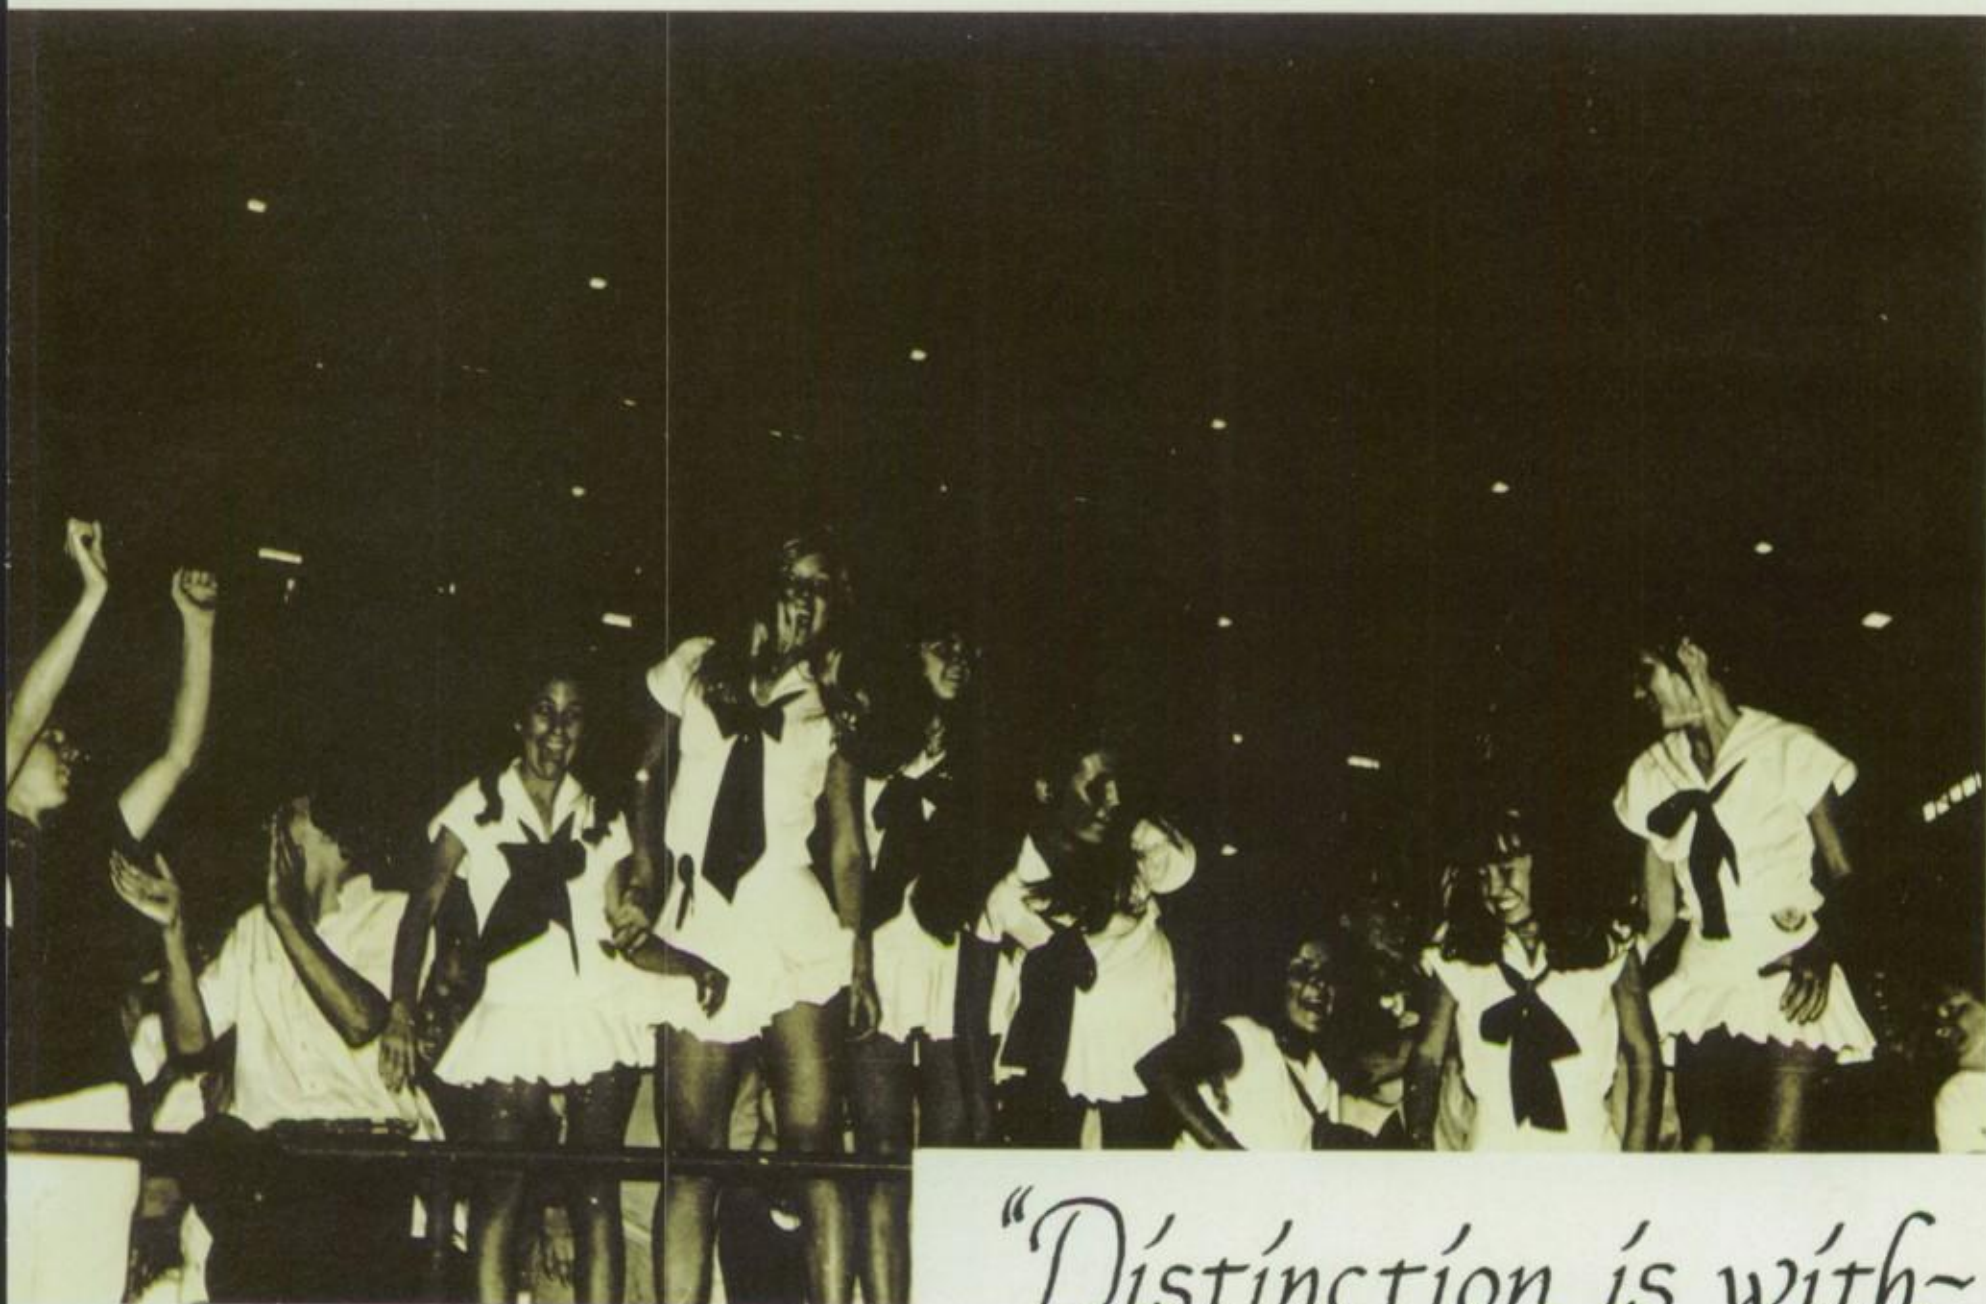

The luster of gold has always been admired. It holds a pleasurable sparkle that catches the eye. Young and old seem to become mesmerized by the reflection of light in gold. We must reflect the greatness of our Saint Francis personalities in society. When we reflect Saint Francis, we reflect Jesus, and His teaching. There is no better sparkle to be obtained than the luster of the gold of God.

During our lifetime we shall be put to the test many times. Just as Archimedes tested the purity of a golden crown, pure ideals will be tried time and time again for purity. If we do not remain steadfast and true to our beliefs, we shall fail. Our gold shall remain intact with the sparkle and luster of Saint Francis' Pure Gold.

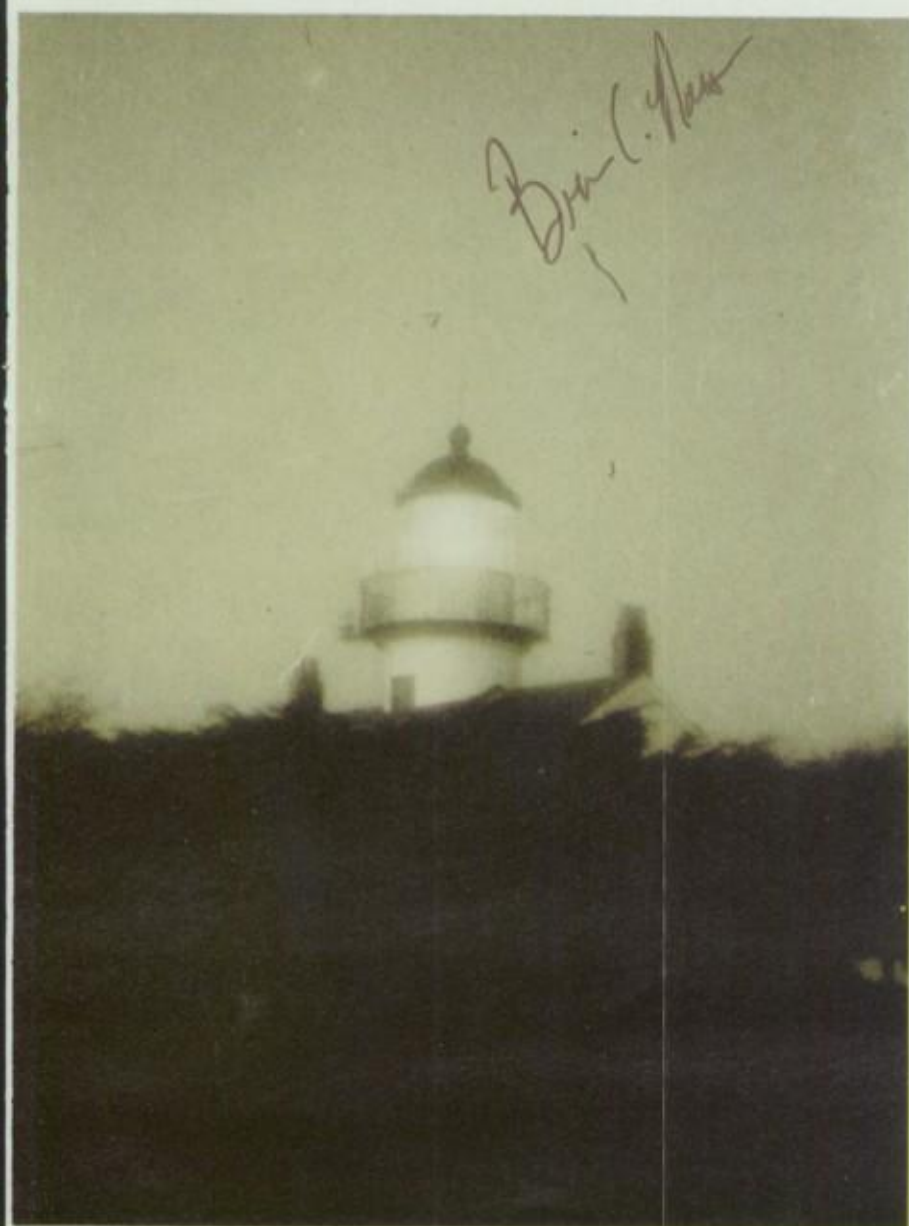

"Distinction is without difference." ~Fielding

To stand out among others, we must possess qualities which are highly desirable. Symbolizing status, prominence, and affluence, such is gold and thereto Saint Francis.

In virtually the same manner as gold emerges beyond all remaining metals, so the Saint Francis student emerges above all others. The students of Saint Francis lead onlookers, in the identical fashion as gold determines the value of other metals.

We as a student body and as individuals are distinguished by our appearance, attitudes, and ideals. These ideals produce the values which enable us to stand high on the hill and be proud of who we are and what we are doing. The clothes we wear and the length of our hair are important factors that allow us to stand out. Just as a nugget of gold must be molded from its ragged rock form to something of greater appearance, we are shaped into people of distinction.

As a lighthouse lights the way, or a runner leads others, we at Saint Francis are the leading runner, the lighthouse, and the school that is looked upon to judge the value of other schools. Our school guides, and provides value; and through this, it stands high on the hill, where it belongs as a symbol of its value to society.

Cullen:

It has been great knowing you these for years. You me, Paul have had some problems - the path, but in the end everything ended

THEME 9

B. [unclear] UP a little - Good luck in LIFE

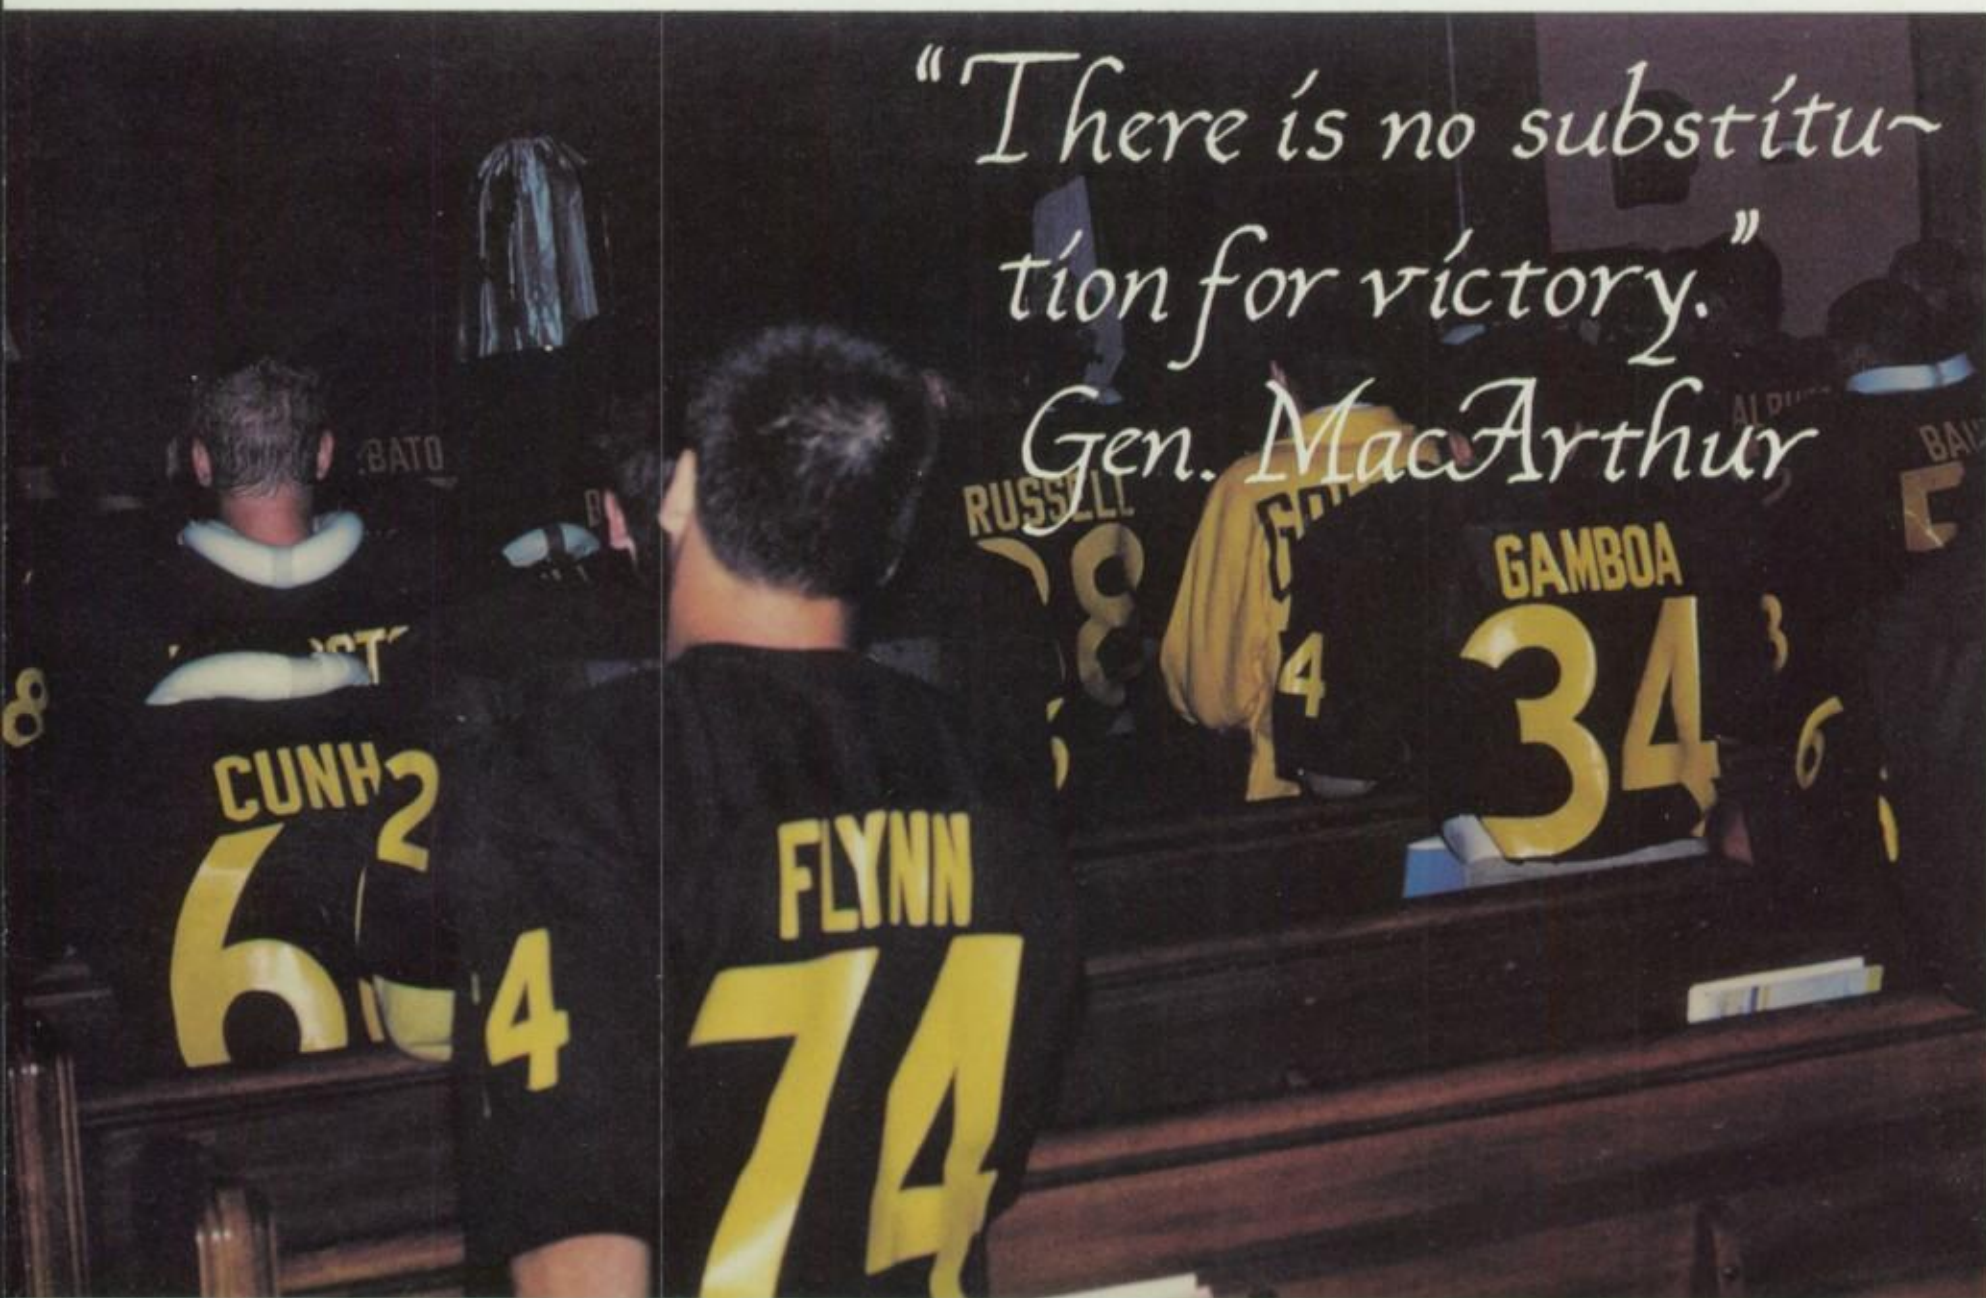

Man has considered gold to be a sign of excellence for time eternal. It is for this reason that Saint Francis is known as the home of the *Golden Knight*. This ideal does not apply to athletic competition alone. Excellence and outstanding achievement in scholastics are also of major importance.

A Knight although not always victorious in all his undertakings, still comes out ahead. He is a supreme example of team effort and unity in action. To be successful, he must join with others as bands of a necklace join to form an unbroken chain. On his own, he is not at his best because unfastened bands are worthless. The Golden Knight is completely loyal and supportive of his teammates. This is why he is often victorious in combat. He also asks God to guide and strengthen him and shows his thanks and praise by sharing his golden moments with the Lord.

"There is no substitution for victory."

Gen. MacArthur

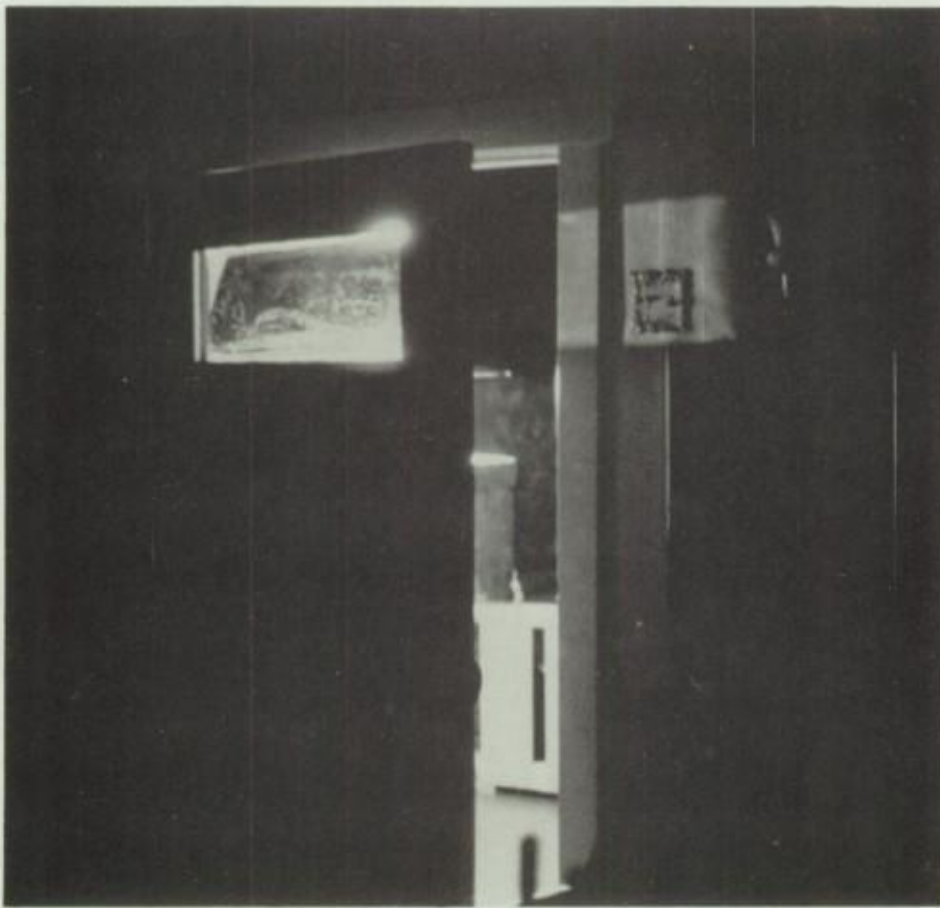

Saint Francis scholars realize that truth and wisdom are golden and apply themselves accordingly to achieve this end. They, too, ask God for help and share their rewards with Him as a form of thanksgiving. Scholars are awarded their own type of gold medal — a golden Hall of Fame plaque for their achievements.

A Golden Knight does not anticipate unearned honors to be bestowed on him. Rather, he works diligently and achieves them through his own capability.

All these items must be utilized and followed and only when they have, can a person truly call himself a Golden Knight of Saint Francis.

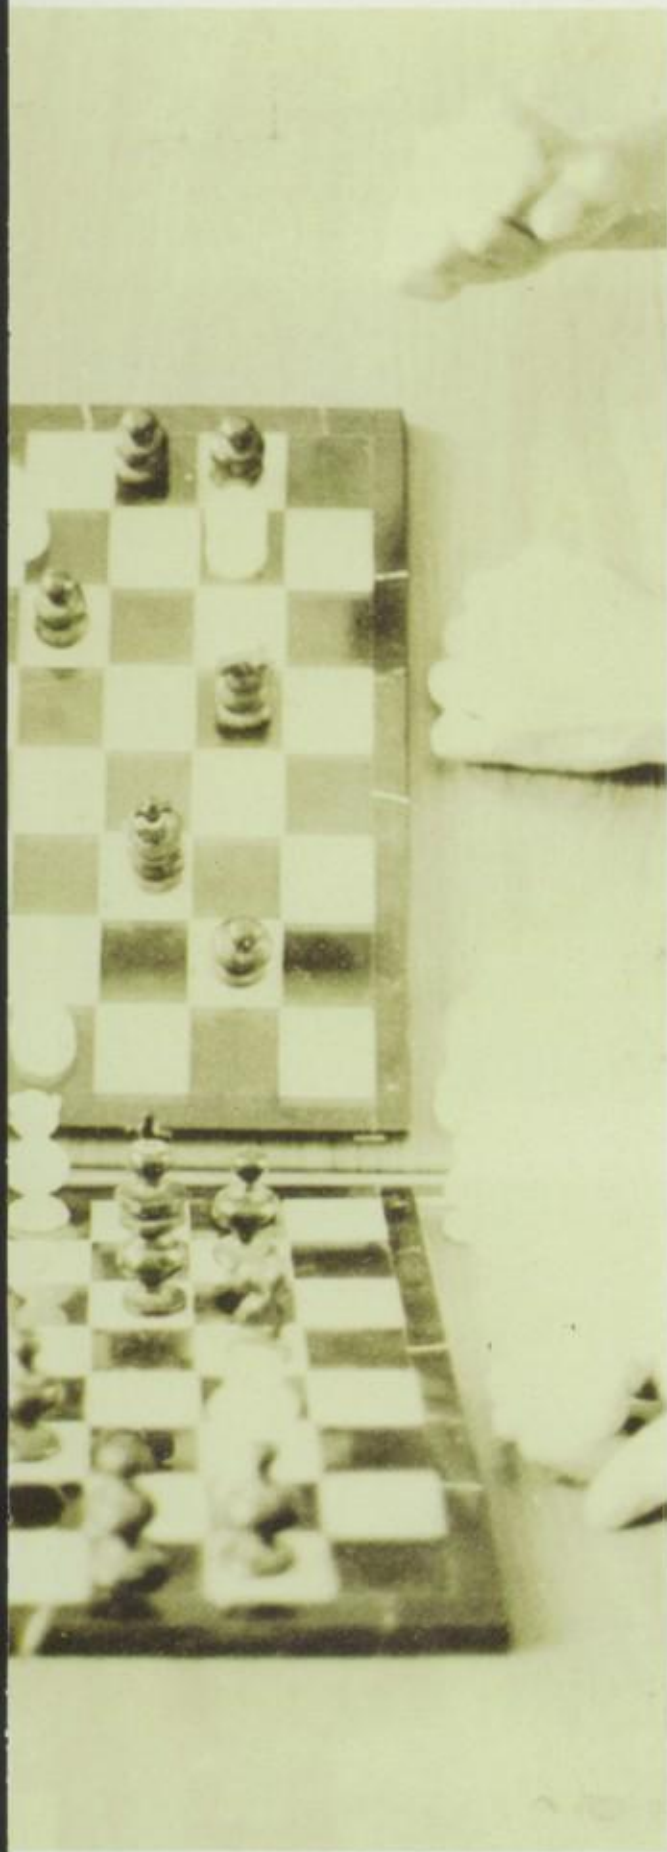

"What you can become"

Life, perhaps we could say, has no plan. But with our development, judgements must be encountered. These appear in various schemes and configure our intellect to attain maturity. As a Saint Francis student, we confront daily choices in all our activities — social and scholastic.

The long range choices leave a much greater impression on our lives. We, as Golden Knights must not melt under the heat fired by life's problems. We must compel ourselves to choices that are thought of and acted upon with courage, ready to face adversity, and conduct ourselves as just men.

"you are already"
~ *Freidrich Hebbel*

Each resolution we devise, although not always correct must be rationalized and pursued as capably as we can from what we know and value.

The choice of a university or whether to go to one at all, is one of the fast approaching choices we must make. This choice is very crucial in our lives because the decision we make will undoubtedly effect us in a diversity of ways. The decision we conclude must be one of our own in order for us to guide our destiny.

Perhaps most important of all is that a true Golden Knight of Saint Francis should gear his choices so that other people may be assisted in their life. Just as Moses by the path he followed, opened the door of freedom to a captive nation, our choices must be mobile enough to accomodate freedom for other people.

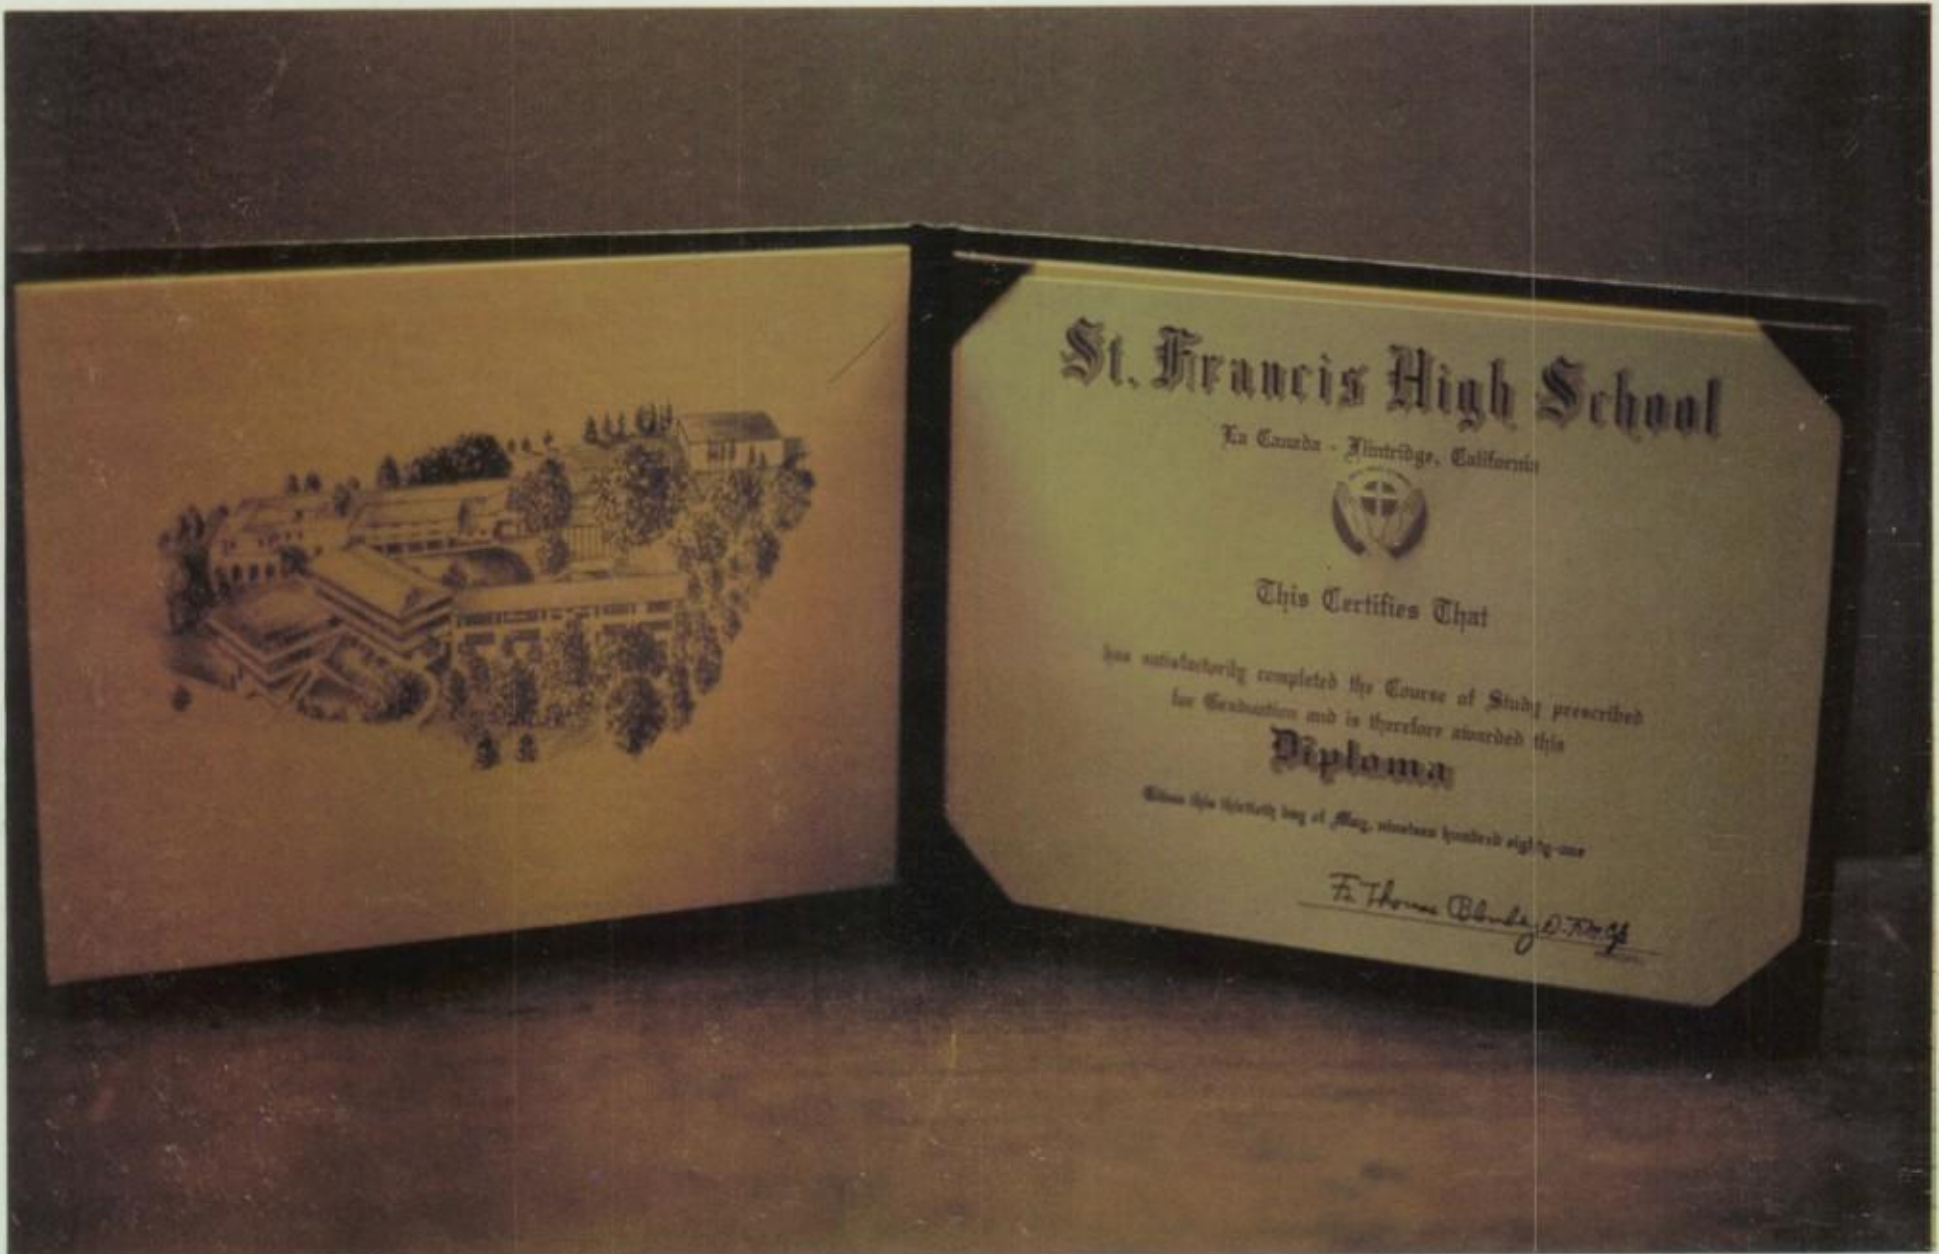

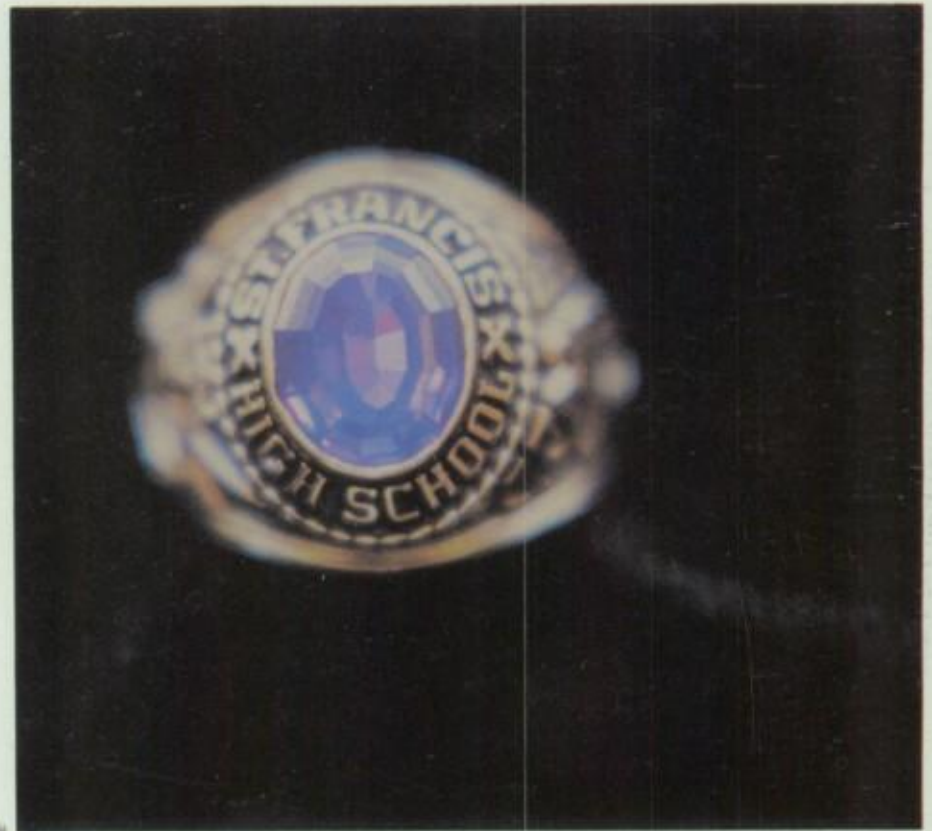

One of the most important aspects of gold is that it lasts forever and will always be valued by man.

Essentially from the dawn of humanity, man has placed great importance on wisdom and knowledge. The knowledge acquired by a Saint Francis student will not fade into the past but will stay with him throughout his lifetime, much like the memories held in gold are never forgotten by the beholder. One who lacks knowledge is like a miner, who in 1849 went home disillusioned and deprived. But once the Saint Francis student has received his diploma, he is a fulfilled as the miner who went home wealthy.

Our love to our school is expressed in many ways, but is seen through our class ring. The golden wedding bands worn by two married people tell of their lifelong commitment to God and each other. The value of gold is eternal just as the love between two people is everlasting. The deeper the love grows, the more meaning it gives to life itself. The Saint Francis student has his ring, his diploma, and his yearbook as a lasting remembrance of his distinction of being a Saint Francis student.

Gold may be molded into a number of prized possessions. A student once graduated has the option to go forth and do what he wants to do. A Saint Francis graduate may change his options in life, but will always be composed of the same element, as is gold.

*"Eternity and I are one."
~Howes*

Dear Father Thomas,

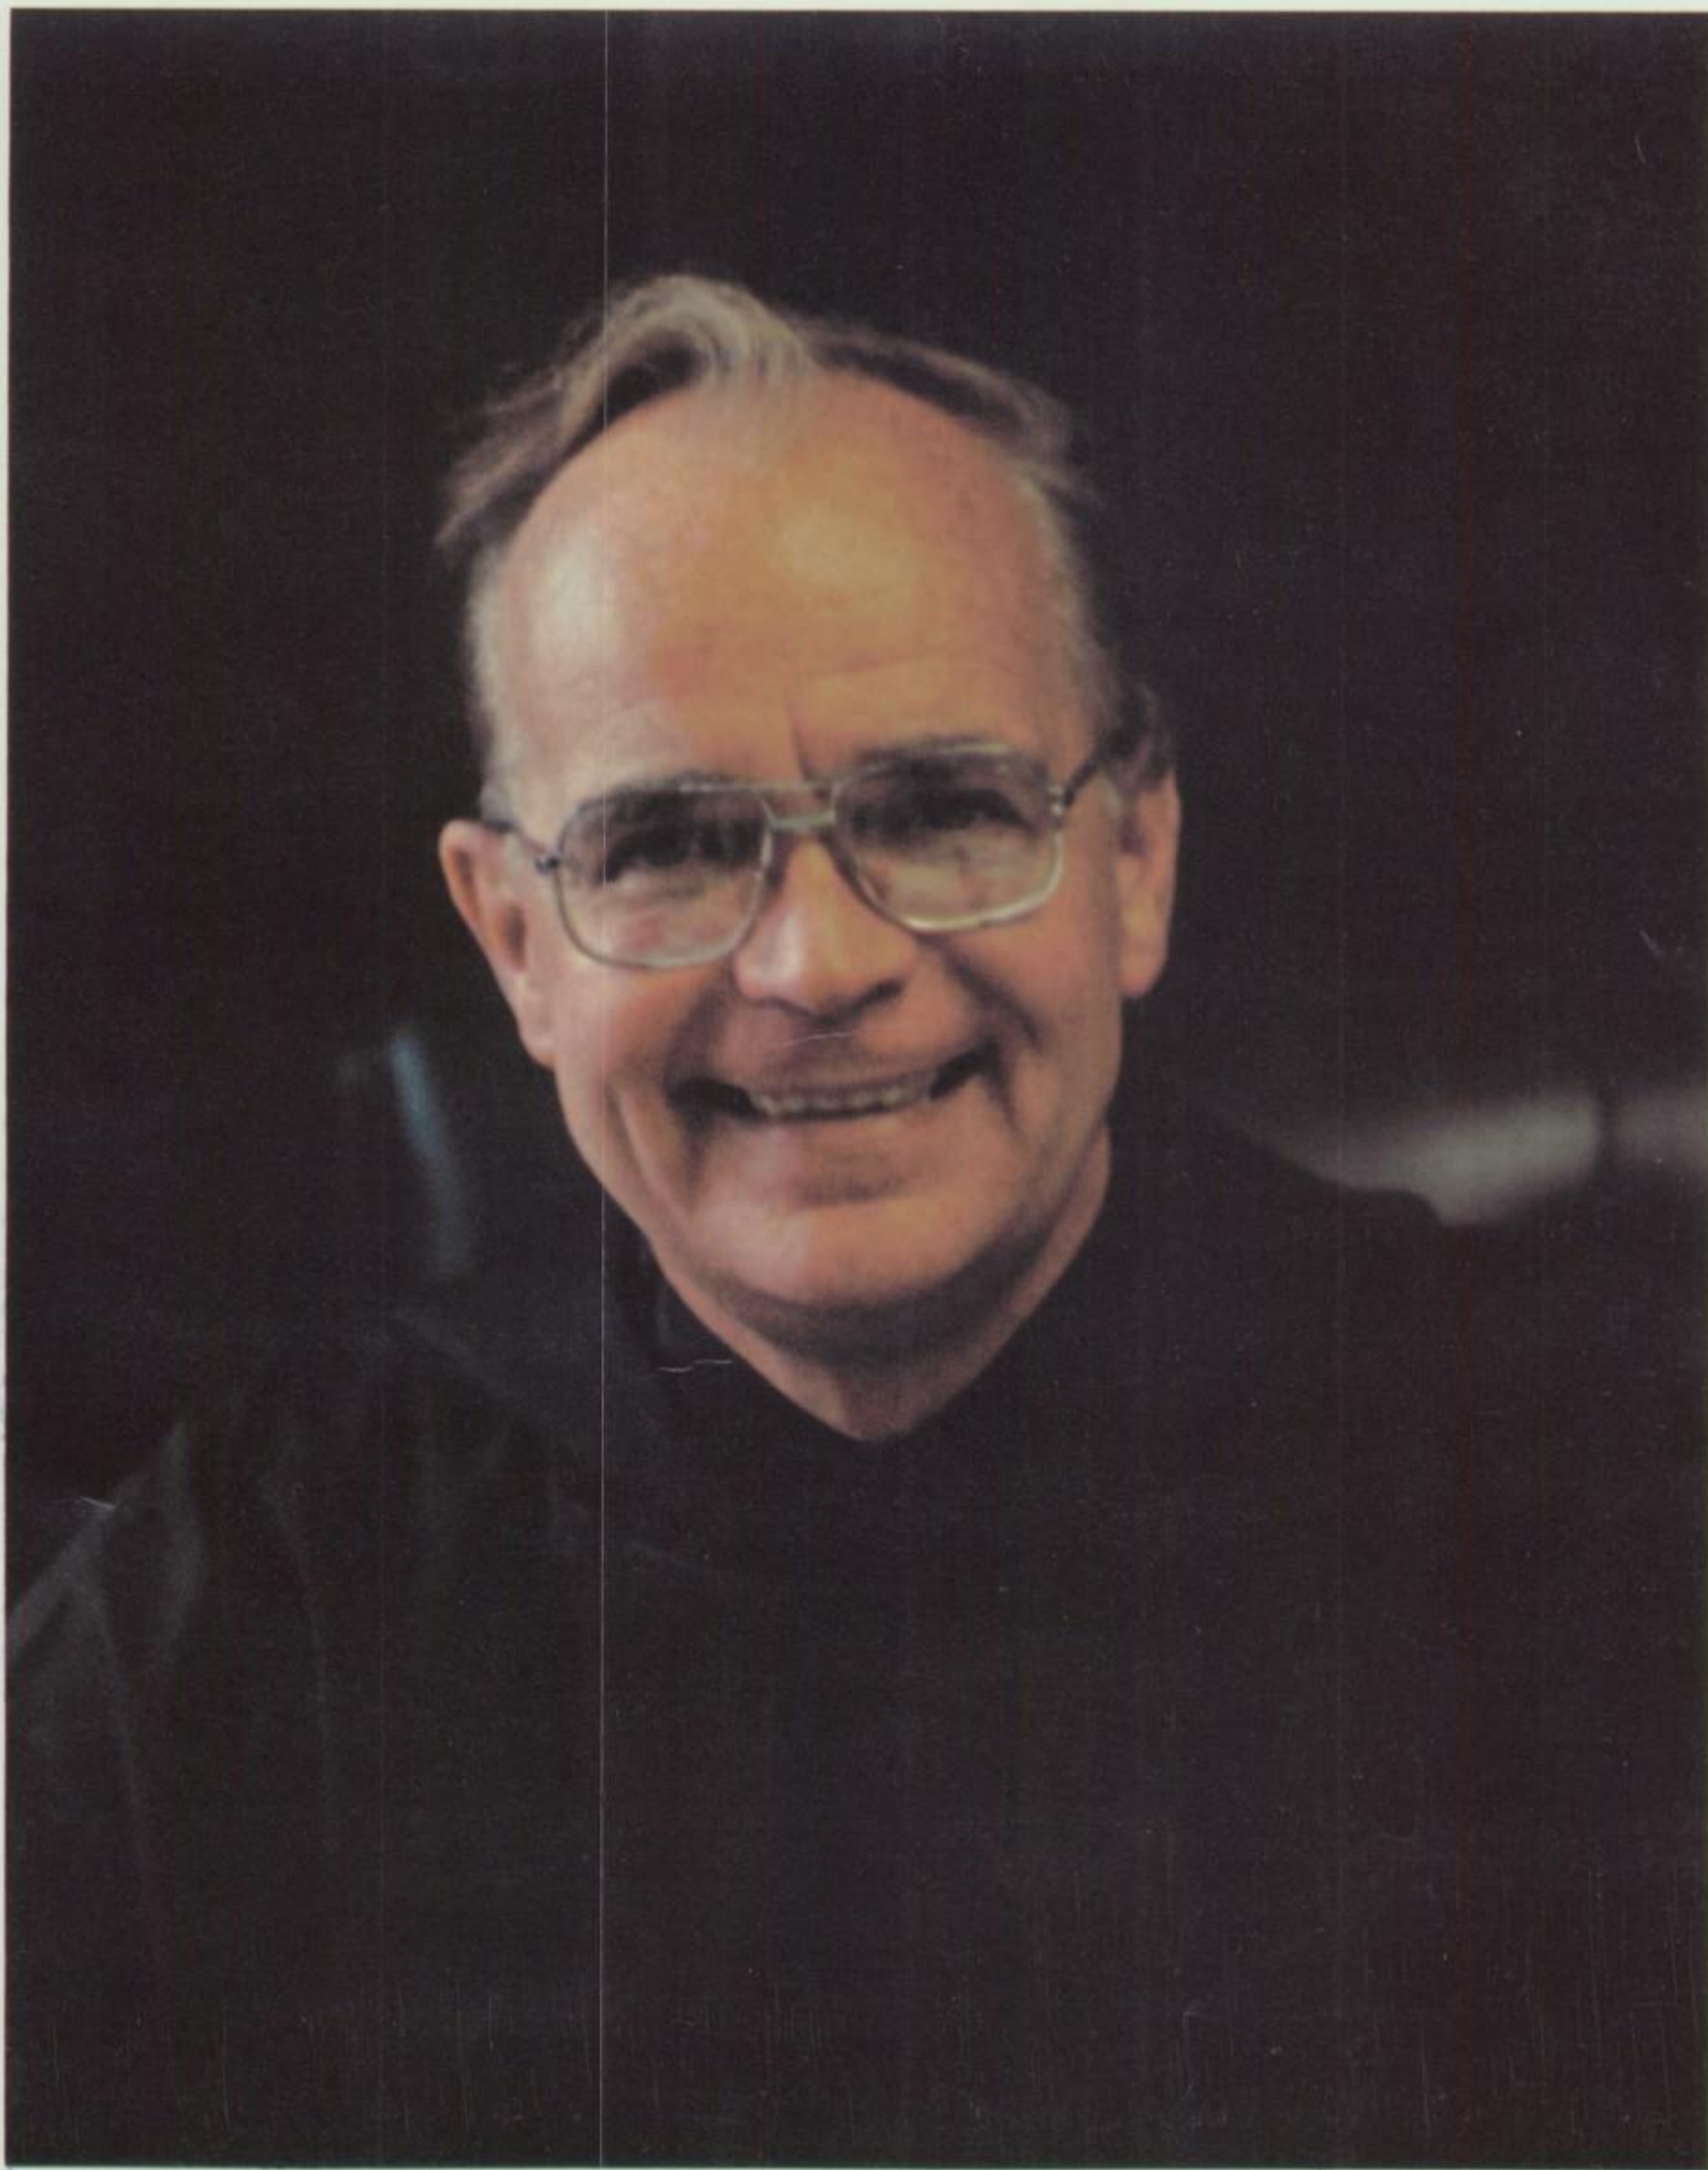

Years bring definite change in our life. We believe it. We even philosophize it. Yet we err as we assume that our family and friends will always remain close at hand. In each man's life, a moment arises when he must leave what his heart calls home. Not until the day of his departure, do either his family or friends realize the extent of their loss.

For so many members of Saint Francis' family, your absence due to illness prematurely foretold how we would regret your final day at Saint Francis. On behalf of the many members of Saint Francis' Family, we thank you for we appreciate your openness, your sensitivity, your sense of humor, your humaneness. Administrators should follow your example. They need to understand and enjoy those whom they serve.

These comments speak truth not flattery. We believe that they speak not only for ourselves. Given the opportunity, each member of the Saint Francis family would join his name to this expression of gratitude. Therefore, on behalf of our family, we dedicate this *Alvernian* to you, Father Thomas. May this *Alvernian* call to mind what our family has accomplished under your guidance; Saint Francis has changed for the better due to your example. May this *Alvernian* encourage your successors to meet your measure; a measure which only a sincere and sacrificing man can meet. Finally, may this *Alvernian* encourage our leaders, both student and administration, to continue your gift of collaboration. Lest it not be said, it has been thought. You are a Golden Knight.

Respectfully,
The Alvernian Editors

May the
Lord bless and
keep you always.
Fr. Thomas

Now That This is over I probably won't see you, well, anyway, Take Rank's care in The rest of This life.

P.S. Send me a letter sometime.

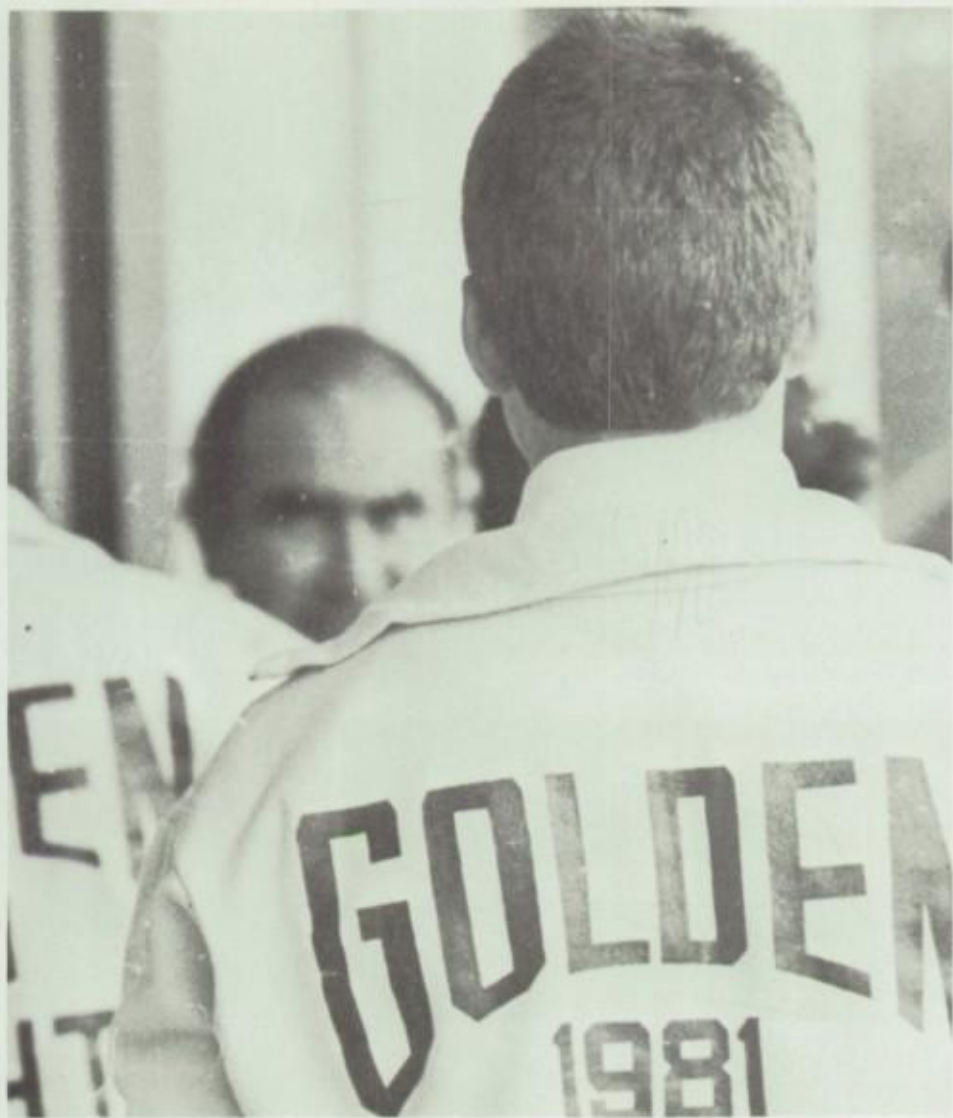

Allen,
It's been a real pleasure knowing you throughout the school year. Also, I would like to wish you the best of luck and success at L.M.U. (Hay), may be I'll see you there this September.
Best wishes,
Richard E.

"PURE GOLD."

Tradition . . . Saint Francis Homecoming is tradition. It was a week like no other. Noon-time activities aroused the spirit in the hearts of every student. The tricycle race, the pie-eating contest, and to top it all off — the pie in the face auction. The gym, filled with the spirit of homecoming, went wild at the rally as Mrs. McLeod was hit with a thirty-one dollar pie.

The big day arrived. The spirit of the night was enhanced by a dazzling display of fireworks and the glow of the cheerleaders. Faculty member, Mr. McLain offered a dignified rendition to the national anthem as the color guard presented "Red, White, and Blue." The highlight of the night came when Rosemarie Urioste from Sacred Heart was crowned Queen. The night was topped off by "Standard Reference" at the dance.

FRESHMAN ARE BAPTIZED

The initial week of school was highlighted by the Freshman Initiation. This year's initiation provided fellow students and faculty spectators an array of sights. Shaving cream, cooking oil and other calamities were smeared on freshmen throughout the campus. Senior, Oscar De Oca, was carried on a platform around the campus until the freshmen carriers finally plunged him into the pool. Considering all the gymnastic feats and acts of cruelty, this initiation proved quite exciting.

Although this was the shortest initiation ever, it lasted only fifteen minutes; the events which occurred were quite disastrous for the disoriented freshmen. Aside from all this, the "Welcome Frosh Dance" was held Saturday evening in the gym.

INTO KNIGHTHOOD

SAINT FRANCIS COMES

1

Time to start! For some of us it was a brand new start; for others we just resumed classes. Nevertheless, we began our day with the hope that the year would help us grow, and prepare us for our future. We would get to know our teachers and learn from them. We would make friends, friends to last a lifetime. We would come to understand this as the year unfolded. Our closeness and unity would particularly show in our support for our student athletes; they deserved that much for sacrificing their time and energy for our school's pride. We could not overlook those who excelled in their studies for they too led our school. The faculty of our school was quite special for they also sacrificed much of their free time for extracurricular activities. Each faculty member had something unique to offer.

1. A familiar sight to the St. Francis student.
2. Meeting old friends again.

2

ALIVE ONCE AGAIN

You can tell Jim always eats his lunch before school.

We may not realize it but we will grow in this school and it will grow because of us. One thing this school is going to help us in is our future. Participating and sharing in goals is necessary for us to prosper both individually and collectively. As the day nears its end we will not feel anything described unless we have tried to make it happen. But there are more days, more classes, more things to accomplish. Make everyday your best and leave your mark on the school. Be recognized as a leader, and be known as a friend.

HARRIERS CONTINUE WINNING

Bill King rounds the corner

Manny Calvillo leads the way

The Golden Knight Cross Country team hoped to repeat their success of the previous year and again capture the Del Rey League Championship. Things did not quite work out that way, however. The Knight Harriers lost three preseason meets but seemed strong in league competition, which they were, losing only one meet. This loss was to Crespi in the final meet of the season. The margin of victory was a mere six points. On the basis of their fine season, the Knights were the proud holders of second place in the Del Rey League.

The Team was led by Senior runners John Capps, Bill King, Manuel Calvillo, Jim McGrory, Tom Martin, Chris Maloney, and Moscicki. Capps is the top runner for the Gold Rushers.

KNIGHTS: ON-AGAIN, OFF-AGAIN SEASON

The Golden Knight Football team of 1981 was one of the most persevering and united squads produced in recent years. They never lost faith in themselves and fought every battle until the final seconds. This was most apparent in the Knight's first two games.

The first game of the season, against powerful Burbank, clearly demonstrated that the Knight defense could be counted on. The final score was 7-0, in favor of the Knights. The lone touchdown came on a sweep around the left side by Senior tailback Bill Chase.

Game Two was against the big swift Pasadena High Bulldogs. Pasadena is always a great test for the Knights and this year they passed easily. Substitute nose-guard Mark Padilla was credited with two sacks and both Dan Treat and Dave Baggett were credited with one sack each. The defense completely shut down Pasadena's ground attack and the Saint Francis' offense rose to the occasion. Two touchdown passes of 7- and 17-yards to slotback Lou DeVita from Tom Ekman resulted in a 20-0 victory.

In the third week, the Knights played awesome Long Beach

kickoff which resulted in Bosco's first score two plays later. They tried to come back later in the game; the most memorable being a fourdown stand on the one on which they were unable to score. Things were not in the Knights' favor, however, and they lost a very close game, 15-9.

The Golden Knights got back on the winning track the following week against Notre Dame. The Knights once again defeated their Black counterparts, 6-0 . . . Tight end Joe Kadlec caught the winning pass late in the first half. This win brought the combined total against Notre Dame to 12 wins and only 2 losses.

Bishop Montgomery was next on the Knights' hit list. Saint Francis ran the ball 70 yards after the opening kickoff to register the game's first score and on their next possession drove down to the opponents three-yard line. This was where the Knights' luck stopped, however. The Bishop Montgomery Knights shutdown our offense there and proceeded to turn the game around in their favor. They ultimately won the contest, 21-14. The Golden Knights had their share of mistakes and errors which contributed to their defeat.

Poly. The Saint Francis line was outweighed by at least 30 pounds on each side but this did not stop the determined Knights. After a valiant fight, they lost a close game, 18-9.

The fourth game of the year was against Long Beach Jordan. The Golden Knights started off slowly, not scoring until the fourth quarter. At the time of the first score, LB Jordan was ahead, 6-0. Mike Kane scored the touchdown and kicked the PAT. The lead did not last long, however, because the ensuing kick-off was returned 90 yards for a score. Saint Francis came back with a 20-yard pass to Taifa Daniels on the one and Kane took the ball in for the winning score. The final was 13-12.

The next foe of the Knights was Bishop Amat. 'Amat was out for revenge for their post-season loss last year, 42-28. Prior to this game, Bishop Amat had not played to its full potential and the Golden Knights were expecting a tough game. They got what they expected and were soundly defeated, 31-0.

In the first league game of the season, the Knights faced defending Del Rey League Champs, the Saint John Bosco Braves. The Knights started off badly, fumbling the opening

Homecoming was next on the agenda and it was not as sweet as the Knight's had hoped for. Their adversary was their archrival, the Loyola Cubs. The Knights played a great first half, both offensively and defensively, as the score was tied 7-7 at halftime. Upon returning to the field after halftime, however, the Knights handed the Cubs the victory due to costly fumbles and interceptions. They ended up losing the game, 21-7.

The final game of the season was do-or-die for the Knights. They had to win it to keep their playoff hopes alive. Their opponent was the Crespi Celts. It was a hard fought game the entire time with the score se-sawing back and forth throughout. It was in the fourth quarter that the Knights burst forth, scoring 22 points. Junior tailback Mike Kane scored on a 1-yard run with just over three minutes to play in the game. The two-point conversion was successful and tied the score at 21. The onside kick was then executed and Kane scored the winning touchdown on a 39-yard sweep. The two-point conversion was again successful and safety Greg Hanah clinched the game with his second interception of the night. The final was 29-21, Saint Francis.

Second Row — Haug, Taix, Parada, Gonzales, Armbruster, Mesa, Ariola. Front Row — Casagran, Gomez, Grace, Smith, O'Connell, Gasco. Not Pictured — Musitelle, Blain.

Although the Sophomores only had a twenty-seven man roster, and had also lost a valuable member of their backfield to the varsity squad, the team finished with a 6-4 record. In league play, the sophomores finished second with a 3-1 record.

Hopes for an undefeated season were dashed in their first match, which they lost to Burbank. In their next game, however, the Knights improved their standings, and simultaneously added another victory in Saint Francis' clean sweep over Pasadena High School. Following this victory, came a disheartening defeat handed them by the unstoppable Jack Rabbits of Long Beach Poly. In their next match against another contender from Long Beach, Long Beach Jordan, the Knights showed their outstanding spirit by shutting out the Panthers.

Season 6-4

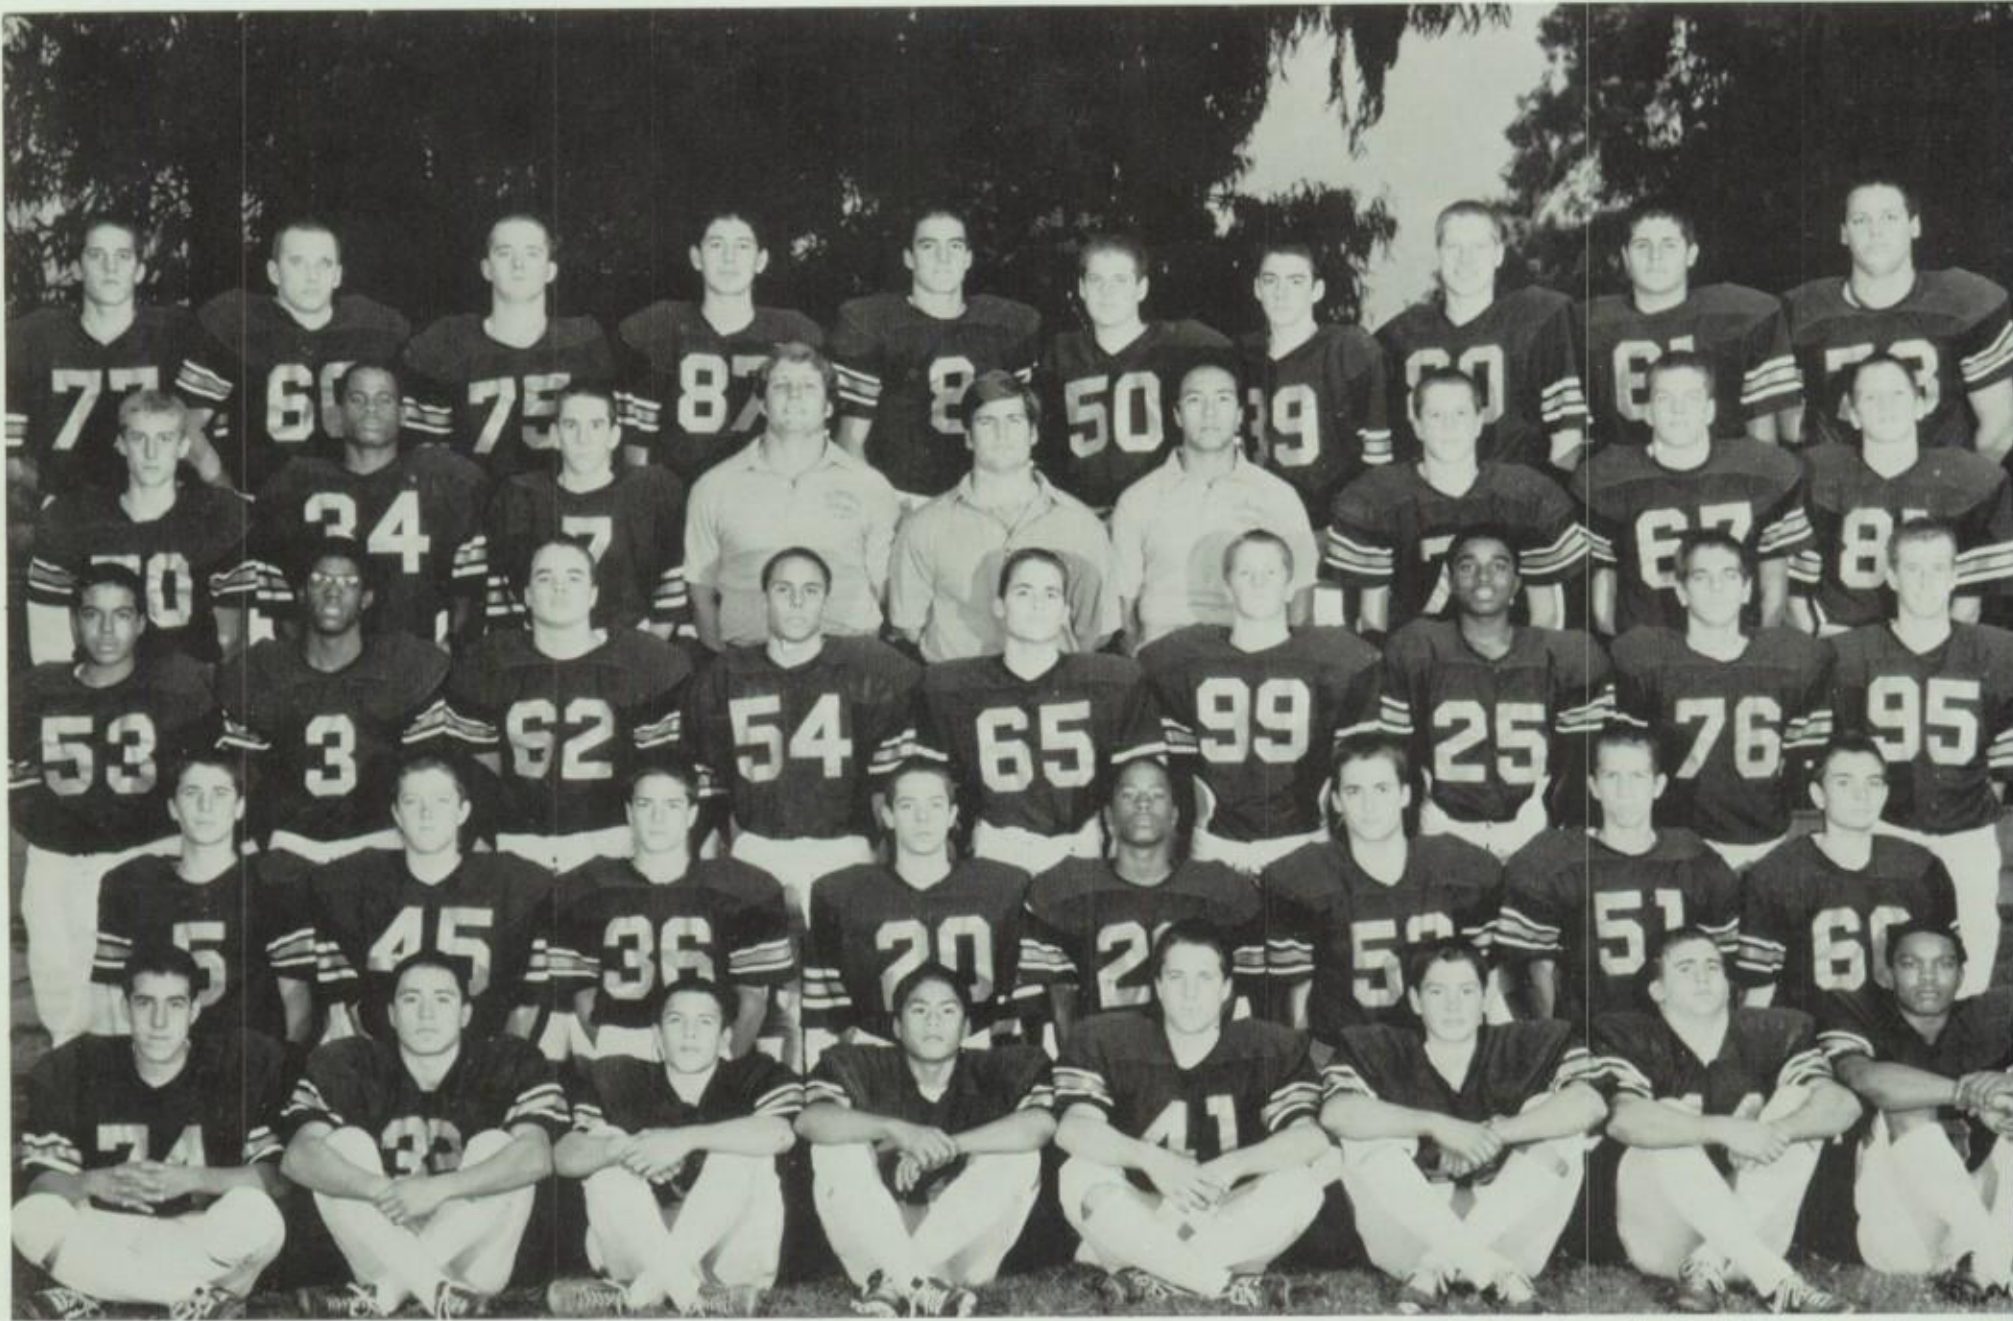

Following a defeat to Ange-

lus League Rival Bishop Amat, the sophomores came back with three straight victories. They beat Saint John Bosco, Notre Dame, and Bishop Montgomery in succession. During Homecoming week there was "electricity in the air" in anticipation of the upcoming game against Loyola. However, the sophomores were shocked by the outcome. The sophomores finished off the season on an optimistic note, taking their revenge out by crushing the Crespi Critters.

Coach Chip Johnson in his fourth year as a football coach at Saint Francis was aided by assistants Joe Jiminez, and Bob Halbekath. It should be noted that the sophomore football coaching staff was composed entirely of Saint Francis graduates. The coaches were extremely pleased with their team's performance throughout the season.

The Alvernian Photography Staff would like to apologize to the sophomore team for the lack of action-game shots.

This years Freshmen team had an extraordinary season. They were the first St. Francis football team to win the Del Rey League title in five years. The Freshmen finished off the season with an impressive 7-1-1 record, their league record was 3-1, with their only loss handed them by Saint John Bosco.

The Freshmen opened the season with a victory over a strong Westlake team. In their next game the Freshmen had a tough contest with local rival, La Canada. The game ended in a deadlock. In their next two offenses the Knights met with two other Catholic school powerhouses, Plus X, and Bishop Amat. They defeated them both.

Unfortunately the Freshmen opened league play with their only loss to St. John Bosco. But, in keeping with Knight tradition, they came from behind winning the rest of their contests.

With great leadership from head coach Dean McCreay, and his assistants, Samuel Costantini, and Fio Frausto. Mr. McCreay secured his first title during his three years of coaching football at Saint Francis. His three year record stands at 17-9-1.

Saint Francis looks forward with high hopes to three more years of great football from the Freshmen class.

Betance rolls out and looks downfield for a receiver.

JUNIOR VARSITY UNDEFEATED CHAMPIONS

McGoldrick releases just in time.

Judson kicks the extra point while McGoldrick holds it steady.

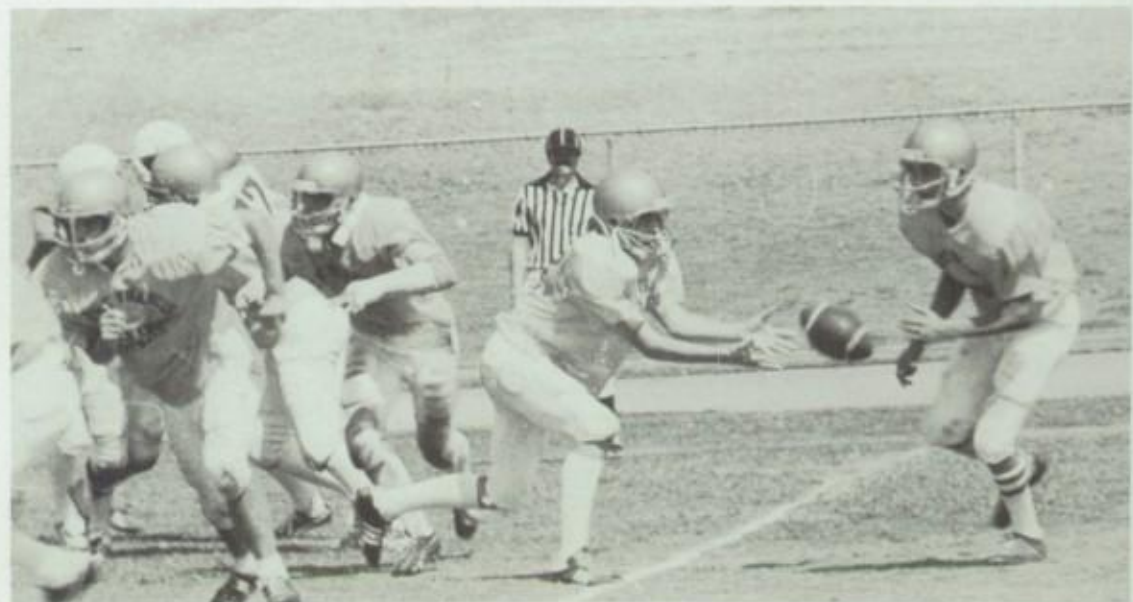

The Junior Varsity clinched another un-defeated season this year. The squad was made up of a handful of JV's and reserve varsity players. With approximately fifteen players for each game, the JV's faced squads with at least thirty-five members.

With the first game of the season against Pasadena High School, the Knights sensed apprehension about playing a team three times larger. But as soon as they took to the field, their skepticism was left on the side-lines. And the JV's recorded their first victim, by shutting out P.H.S.

Long Beach Jordan was the next opponent for the Knights. The Panthers put up a good fight, but experienced a long ride home after being shutout by a tough St. Francis team.

With two shutouts under their belts, the Knights faced their toughest battle in the last game of the year. Burroughs High School was undefeated and unscored upon, as were the Knights. After the game, both teams expressed this to have been the hardest hitting game of the season. However, St. Francis again came out on top and achieved a perfect record.

Coaches Dan Welsh and Ed Siminski showed extreme patience and great coaching ability throughout the season. Coach Siminski has coached the junior varsity for many years, while coach Welsh completed his first.

McGoldrick tosses back to Barbato, as Granja and Livingston lead.

Egan sweeps around end outrunning Pasadena defenders.

Saturday morning fun.

Say cheese.

WE'RE INVOLVED!

As students at Saint Francis, our involvement this past year has led us from sports to clubs to spiritual involvement. The students' involvement in sports has led them to develop the teams. Our clubs have held various cultural as well as social activities which maintained the interest of students.

As the Saint Francis family, we were involved spiritually through school masses, communion services, vocational inquiry, and Action-Involvement. Through all of these activities, we were able to have fun and at the same time share ourselves by aiding others. Hopefully in the future, other activities and participation in them will be encouraged.

What's going on?

PEP CLUB

"The Boss"

The Saint Francis Pep Club continued to be a dominant force in campus spirit. Under the leadership of President Tom Martin, moderator Mr. Ken Deasy, and Vice President Hayden Eaves and Jim McGrory, the 1981-82 Pep Club according to some was one of the best.

The biggest responsibility of the Pep Club was to organize the Homecoming activities. This year's club put on a Homecoming that was one of the best in Southern California according to the referees of the Homecoming game. The Pep Club did more than put on Homecoming, however. The rallies were also organized by the Pep Club.

The Pep Club's enthusiastic support at rallies of the Basketball and Football teams was more glorious than usual this year because of their new, highly visible and attractive gold sweaters. The Pep Club is another Golden Knight tradition that continues to improve upon itself.

YELL-LEADERS/AND ROGUES GALLERY

Enthusiasm, dedication, and spirit-these are the words that best describe the 1981 Yell-Leaders and the Rogues Gallery, the two groups most responsible for the electricity and excitement generated in the bleachers during all of the St. Francis football games.

The Rogues Gallery is a group of Seniors elected by the Senior members of the Pep Club. Their major job is to show leadership in the stands and to ignite Golden Knight pride. Its membership includes Mike Boyd, John Cookson, Hayden Eaves, Al Luna, John Maddox, Chris Maloney, Tom Martin, Jim McGrory, Mark Mozilo, Frank Murphy, Mike Oddo, John Shilling, Matt Siroky, Greg Suarez, Kevin Taylor, and John Westlake.

Although not as large as the Rogues Gallery, the work of St. Francis's four Yell-Leaders is just as important for Golden Knight spirit. The Yell-Leaders, under Head Yell-Leader Matt McSweeney, were responsible for working with the Cheer Leaders in promoting the enthusiasm in the stands from their location in the field. They were selected by the Senior Class. The other three Yell-Leaders were Alex Lombardo, Arnie Von Massenhausen, and Ed Roybal. Between these two groups, the St. Francis bleachers were never at a loss for excitement, energy, and pride.

CHEERLEADERS

"We've got spirit, yes we do . . ."

St Francis High School's spirit was at an all time high this year due in large part to the efforts of the sixteen Varsity and Junior Varsity Cheer Leaders. These girls fired up the St. Francis rooting sections and cheered our teams on to victory with their routines and dances. Their effectiveness was shown during the Pep Rallies when interclass cheering competitions were held.

The Varsity Cheerleading squad was led by its captain, Regina Fernandez. Other members were juniors Karen Kersey, Neave Foley, Lisa Puleo, Pauline O'Connor, and Gina DeVita, in addition to seniors Susan Park and Lynn Schnieders. All but Karen Kersey, who attends Holy Family, are enrolled at Flintridge Sacred Heart Academy.

The Junior Varsity Cheerleaders voted Monique Williams their captain, but they later decided that they would rotate this position from game to game. The squad consists of sophomores Monique Williams, Marianne Marsh, Kristen Nordbl, Annie Brooks, Paige Maloney, Barbie Sch, Parient. All of the girls attend Flintridge S with the exception of Michelle and Monique.

RACQUETBALL CLUB

Saint Francis has added the Racquetball Club to its list of extra-curricular activities. Fr. Joseph Quatropane, the club's moderator, established the club, "to teach students a sport that they can play all their lives. I am a firm believer in physical as well as mental training." Fr. Joe is assisted by club President Mike Oddo, Vice President Pedro Cano, and Secretary/Treasurer Steve Calabro. The club's program includes intraclub and hopefully interscholastic competition, workshops, lessons, team tournaments, and weekly meetings. With Fr. Joe's philosophy, "A game of Racquetball a day keeps the 'blahs' away." It's no wonder why this club is a smash hit!

STUDENT COUNCIL MAKES PRESENCE KNOWN

Calm, cool and collected.

The 1981-82 St. Francis Student Council made a determination to integrate new and different ideas into the year's annual activities. An example is a closer relationship with our sister school, Flintridge Sacred Heart Academy. The A.S.B. officers of both schools met and planned joint activities such as a volleyball game followed by a pizza night.

Another experimental idea was a school wide game of "Mass Assassin" in which each person is assigned a person to "kill" and a time limit to do it in. If that person is assassinated before he can assassinate his own victim, the responsibility to kill that victim falls in the hands of the original assassin. The last person left is the winner.

Still other new ideas included a Basketball Homecoming and dance, daytime concerts, and theme dances. All these activities plus the traditional "tried-and-true," like the school olympics, worked to make this year something special.

THE PROUD NHS

The National Honor Society is a club of dignity and character. Its members must meet high academic standards as well as showing good leadership qualities and Christian morals. Its purpose is to set good examples on, as well as off campus. They show their leadership by their dedication and service to the school and to the community.

As in the past years, the club showed its support to the school and community by helping out at booksales, college night, Freshman Open House, Freshman entrance exams, to mention a few.

The symbol of our loyalty.

A REALITY IS BORN

New members of the National Honor Society were welcomed into the society at the Investiture Ceremony on December 7, at 7:30 p.m. in the Saint Francis Chapel. This fourth annual ceremony concerned itself with students' accomplishments. In his address entitled "Dreams and Reality," Mr. Arigan focused on the idea that we must call forth our dreams and make them into reality. Mr. Arigan quoted John F. Kennedy: "For of those to whom much is given, much is required."

The mass which placed the setting for the ceremony was celebrated by Father Thomas. The newly selected members were presented the Society's Academic Collar by Mr. Peter Brang. Also at this time, senior members received a pin of the Society's insignia. Officers Chris Johnson, President; Paul Pontrelli, Vice President; Arnold D'Amico, Treasurer; and James Dalgarn, Secretary; were also presented a pin bearing the insignia of their office for their organization of the club and its activities.

The informal reception which followed the ceremony provided a relaxed atmosphere for both the students and their parents giving them time to exchange congratulations and to admire their new collars.

CO-VALEDICTORIANS

The class of 1982 had duplicated an honor that only one past class has achieved, the distinction of Co-Valedictorians. Both Luke Welsh and Mike Gallagher undoubtedly merit this honor.

Serving as this year's Athletic Commissioner, recipient of the Distinguished Scholar — Athlete Award for the San Gabriel Valley, recipient of varsity letters in Football and Tennis, a member of the Letterman's Club, Student Council, Act-In, N.H.S., as well as a C.S.F. sealbearer and semi-finalist for a N.H.S. scholarship, Luke Welsh genuinely merits this honored distinction.

Mike Gallagher, a four year Basketball player, tennis player, member of the Pep Club and Act-In, as well as a C.S.F. sealbearer, has earnestly achieved this position of distinction.

In recognition to this outstanding achievement, we of the Alvernian staff salute Mike Gallagher and Luke Welsh, Co-Valedictorians of the class of 1982.

ALVERNIAN SPORTSMAN OF THE YEAR

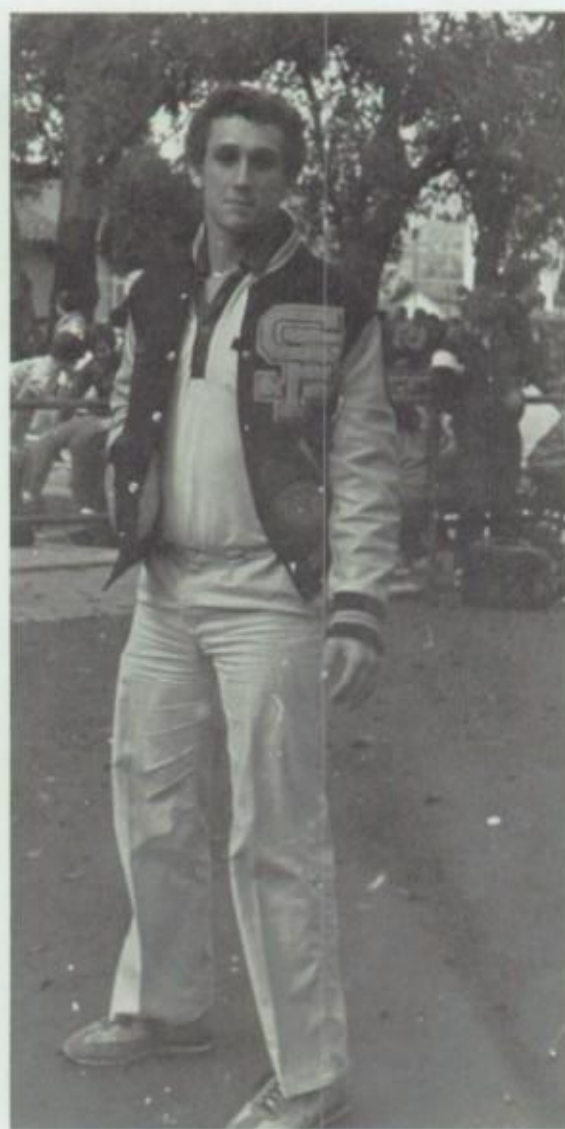

The 1982 Alvernian is proud to name Tom Ekman as this year's Sportsman of the Year. A transfer from Glendale High School in the second semester of his sophomore year. Tom has received four varsity letters in two sports.

Tom Started at quarterback for two seasons while achieving honorable mention in his Junior year and second team All-League honors in his Senior year. In addition, he led the 1980 football team to the C.I.F. semi-finals. Tom was also a Golden Knight and co-captain for the 1981 team.

In baseball, Tom helped the team in clinching their second consecutive league title as a pitcher. While doing this, he was awarded first team All-League honors. Tom also participated on the 1982 baseball squad, helping the team and trying to better last years achievements.

Tom, congratulations and Good Luck on your future ventures.

SENIOR SCHOLARS

Over the past four years, the Seniors have made a giant step toward preparing for their future goals and aspirations. There have been times, though, that these goals have been temporarily buried by the many hours of studying and seemingly endless stream of assignments. The tedium often becomes too great, and the school work begins to slip.

However, there are always those students who seem to achieve success in their studies — the Saint Francis Senior Scholar. Their dedication in many instances goes unnoticed. The Alvernain staff, would like to honor these students for their academic endeavors, as well as their overall attitude towards Saint Francis High School. These accomplishments will undoubtedly lead to the realization of their future goals.

LETTERMAN'S CLUB

The Lettermen's Club has long been a tradition at Saint Francis. Comprised of a select group of Varsity lettermen, and not just every letter winner, they represent the best of Saint Francis' athletes.

The club has many duties and responsibilities. Its first task was to select the Homecoming Court. When Basketball season rolls around, the club provides security at the home games. At the end of the year, the Lettermen's Club chose the cheerleaders for the following year.

Of all the clubs on campus, the Lettermen's Club sums up all that Saint Francis stands for tradition and service. It is indeed a great honor to be a member of this elite group.

Rumors have been going about suggesting that Ye Royal and Ancient Thursday Afternoon Golf Club consists of all Irish members. The fact is that the only true Irish member is the club's leader and chief hacker, Brother Bernard. Once a week, every Thursday, a small group of members would venture down to Brookside Golf Course to challenge the sub-par rounds set by the others. Due credit for the club's existence must go to Brother Bernard whose leadership and organization over the members improved their ability on the course. The club also provided playing time to have fun and to practice for acceptance into the Saint Francis Golf Team.

COMMERATION TO ST. FRANCIS

Saint Francis was born almost eight centuries ago in the Italian town of Assisi, eighty miles north of Rome. Rich, likable, daring, he was plainly headed for a life of adventure. Since his teens he already was a leader. Today, a boy may have ambitions to be a scientist, a movie star, or a major-league baseball player. Francis desired to be a Knight.

The central point of his life was that Saint Francis was not poor because he liked to be poor, but because Christ was poor. Saint Francis is also famous for his love of nature. For him, nature showed the footprints of God's passing. A flower reflected His beauty, the sun was a shadow of His brightness, the mountains were the strength of His arm.

After a long period of solitude and prayer, on the rugged heights of Mount Alverno (hence, the name of our yearbook), Francis received the Stigmata of Jesus, the actual wounds, in his hands, feet and side.

Francis' order has grown and flourished. Today there are 3,771 Franciscan priests in the United States. As we celebrate the 800th birthday of Saint Francis we must all attempt to follow his footsteps and walk in peace as Golden Knights.

WE'VE GOT SPIRIT!

The Juniors show their spirit.

Oscar attacks the enemy.

This says it all.

Spirit in our school is induced by the many students who encourage it. Spirit through athletics or clubs is created by the student. At Saint Francis spirit was built up at the rallies where every student was given the chance to express spirit. Our yelleaders, cheerleaders and Pep club members led us to realize the amount of spirit we had. On campus, as well as off, our spirit was part of us.

Merry Christmas, Watts.

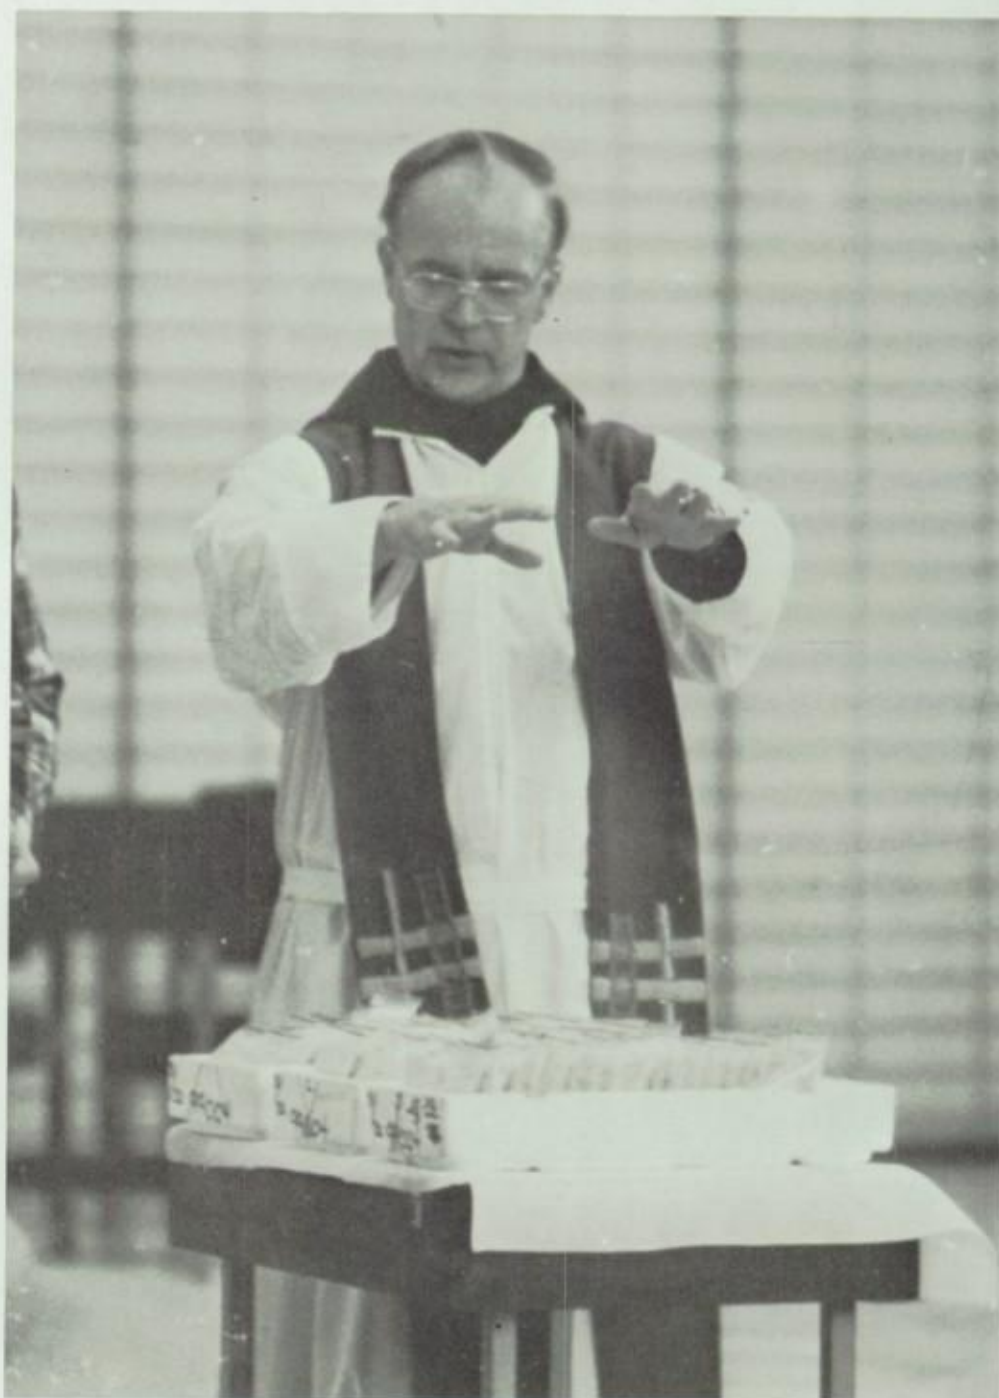

The Christian spirit of brotherhood has been active at St. Francis through Act-In. Act-In was created to promote brotherhood throughout the community, both local and world wide. Through Act-In, the students at St. Francis have been given the chance to reach out and be a part of their community.

Fr. Ron, the club's new moderator, said that "we are blessed with special benefits and should share what God has given us." The club has made a good take-off this year. Fr. Ron let the members do all of the planning and organizing of the activities so that if it was a big success, they would take more pride in what they had done. And it has been a huge success.

The Christmas and Thanksgiving food drives were their first major projects. Food and cash donations were collected from the students. More food was bought with the money brought in on the 50-50 drawing. The food was taken to St. Lawrence Parish in Watts where it was gratefully accepted. "It was a good experience for both us and them. The kids at St. Lawrence finally accepted 'outsiders'." Along with the Christmas and Thanksgiving food drives, Act-In served the community on Christmas Tree Lane in Altadena by helping the decorating committee there.

Act-In got off to a slow start, but it proved to be a great asset to both the St. Francis students and the community. Future plans for Act-In include helping the missions in Honduras and establishing a Scholarship for students who need financial aid in High School. The missions in Honduras house refugees from Guatemala and El Salvador, who desperately need food and medicine. Act-In has taken measures in order to help them.

The scholarship will be set up to help the students at St. Lawrence who want to attend a Catholic High School but cannot afford it. Already Act-In has taken a step in the right direction for acquiring the needed cash flow. This has been accomplished by the club members, who have helped a company move into a new warehouse. The company had donated \$5/hour per person who helped them move. The club's expectations are great and it appears that the future will prove their attributes to society. The outcome is reward enough for Act-In.

WHERE CHARITY AND LOVE PREVAIL

Talking to a friend.

Father David gives his blessing.

"Thou art dust, and to dust thou shall return."

The religious life on the Saint Francis campus was due in a large part to Fr. David, our school chaplain. This past year our student body celebrated a mass once a month and was able to partake of communion at the break period in our chapel. Students were also encouraged to attend the morning mass in our chapel which was celebrated each day.

Interested students were able to join the Vocational Inquiry Personnel lead by Fr. David, which constituted a group of students who wanted a better look at the seminarian lifestyle.

Through the efforts of our theology department and the students themselves, the religious life on campus led to a better spiritual awareness for the entire Saint Francis family.

THE KNIGHT BREEZE CONTINUES

The Knight Breeze Staff and Alvernian imposters

This year's Knight Breeze staff worked and successfully re-established the school tabloid by respected reporting of school opinion and student awareness.

Major changes in general appearance with an emphasis on quality writing became the staff's main objective. With a more experienced writing staff, this year's editors were able to give more attention to better photo coverage, neatness of columns, and writing accuracy.

Involvement of the student body was achieved with periodic student polls and questionnaires concerning current issues, bringing about a better informed student body. Objective writing with less personal commentary was insisted upon by Mr. Voorhees who stressed a "straight news" approach. Under the guidance of Mr. Voorhees, students of the Journalism classes developed a concise writing style.

This year's staff scored an all time first, due to their efforts during summer vacation. Not only were deadlines met but this year's staff distributed their first publication before the end of the first week of school. Moreover, the Knight Breeze editors made a concerted effort and succeeded in improving rapport with the school administration.

S.F. CAGERS FIGHT HARD SEASON

Cagers prepare for late rally.

The basketball team of St. Francis had a tough season facing such teams as second seeded Crespi and ninth ranked Loyola. Comprised mainly of seniors the team proved to be very well rounded with speed, agility, and accuracy. Leading the Knights were all Del-Rey League Mike Gallagher and Matt McSweeney. Other team players were Seniors Kevin Taylor, Hayden Eaves, Chris Johnson, Ed Roybal, Kenny Johnson, Virgil Hilliard, Jim McKelwee, and Junior Dave Bland.

Coach Neville Saner's 2nd year at St. Francis proved to be very tough but ended with hope for a successful season next year. We of the Alvernian Sports Staff would like to commend Coach Saner and the Golden Knights on a hard fought season.

As the S.F. wrestling team entered their third year of competitive wrestling, wrestlers were optimistic about the upcoming season; with over fifty prospective wrestlers trying out for the squad. The team competed in seven dual meets (team vs. team), and four tournaments.

In the teams first two contests, the Knights came out on top defeating local rival La Canada and Birmingham High. The wrestling squad later suffered a loss at the hands of San Gabriel High School, however the J.V.'s continued their winning streak by downing San Gabriel. The final non-league dual-meet was with Harvard. Looking for a pre-league victory, the Knights downed Harvard on both levels. The Varsity finished with a 3-1 record while the Junior Varsity showed a 4-0 record.

Throughout the season the Knights competed in four tournaments. The results were a great improvement over the past years; finishing second in the South Pasadena tourney and fifth in the Valley tourney. While participating in two invitational meets, St. Francis gave impressive showings, finishing seventh and twelfth in the Alemany and L.A. Invitationals respectively.

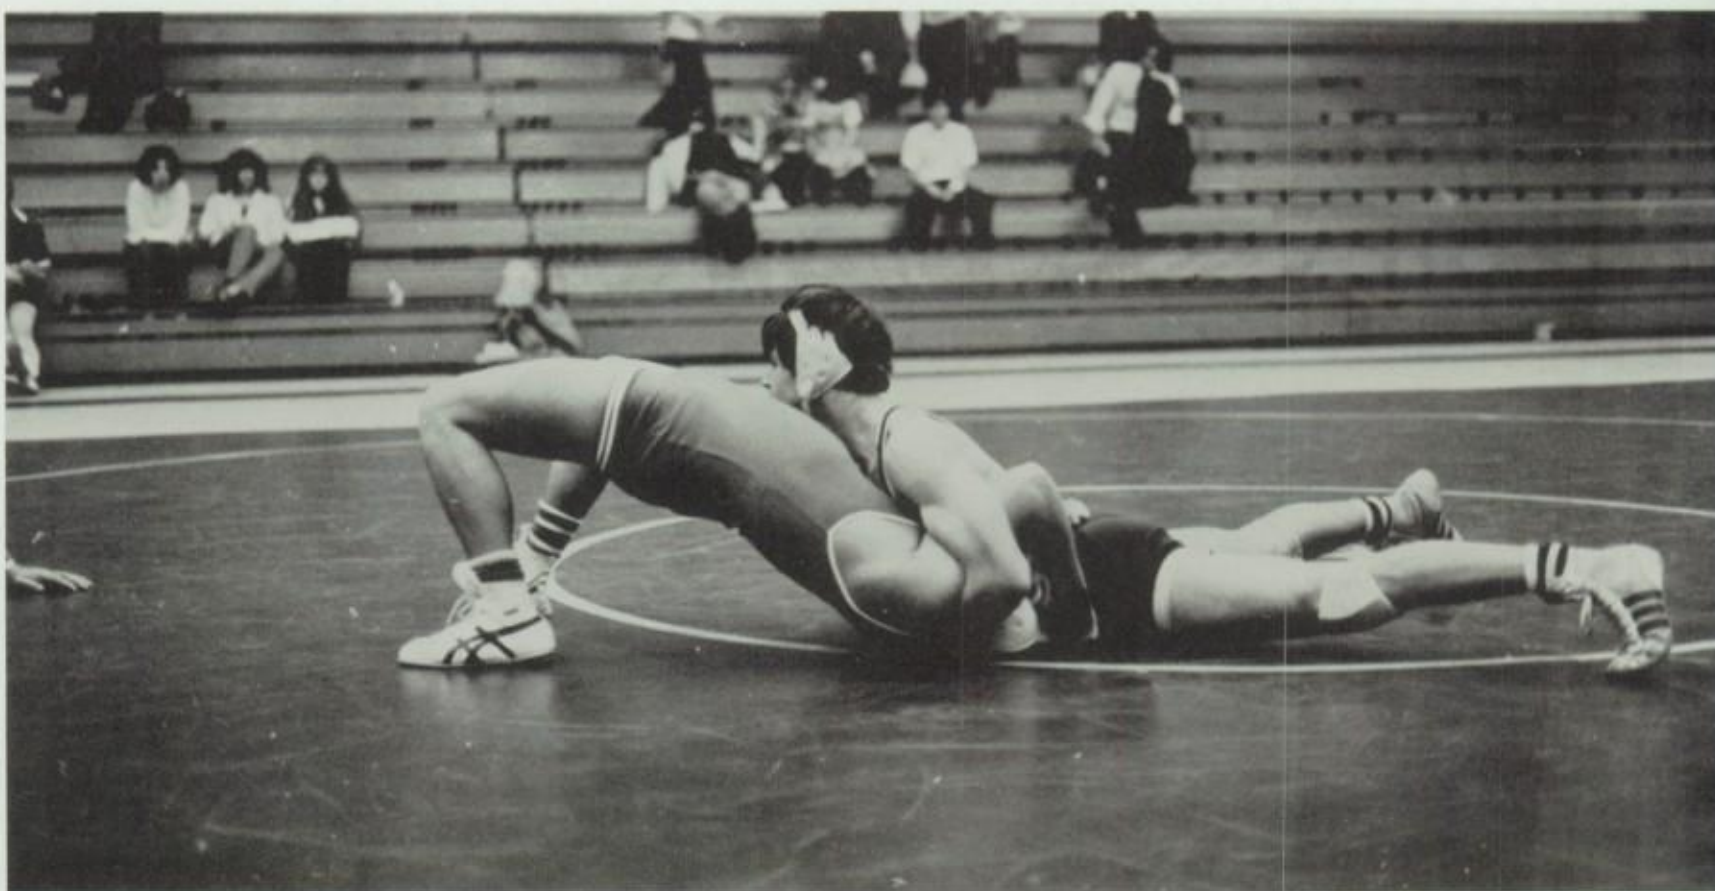

The Junior Varsity competed in three tournaments which were held at Mt. View, Harvard, and Alemany High School's. The J.V.'s finished second in the first two contests and seventh in the third.

This season marked the formation of an organized Del Rey wrestling league. The league consisted of St. Francis, St. John Bosco, Alemany, and Bishop Amat.

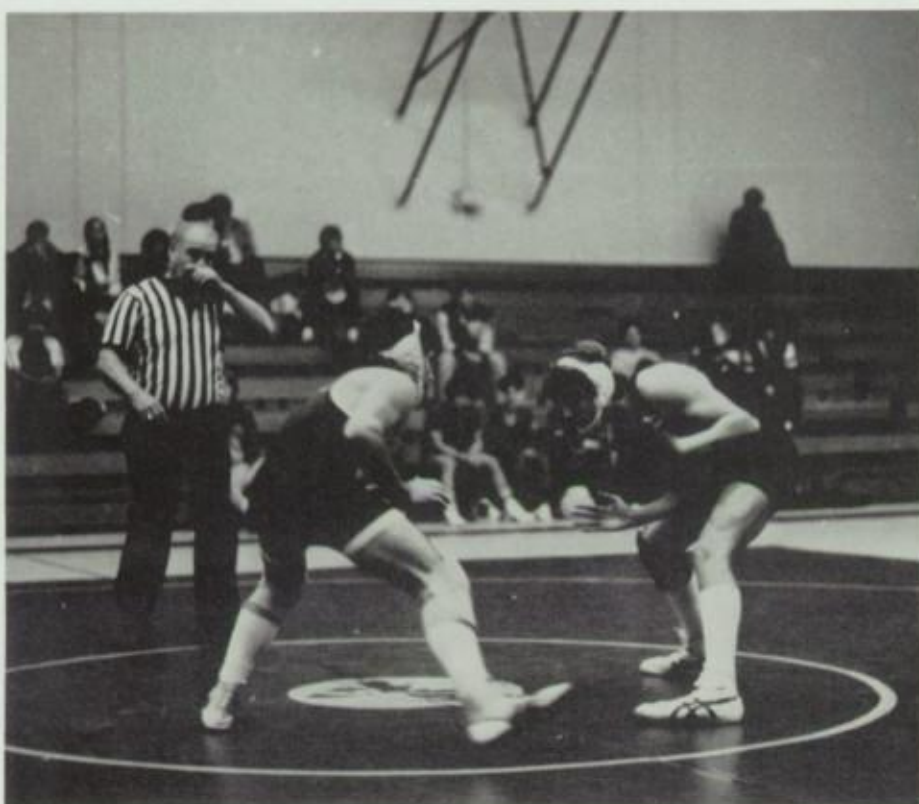

The Knights first league match was against St. John Bosco. S.J.B. seemed to much for St. Francis downing both squads. The wrestling team was set down again, after their second league loss; this time to rivals Alemany. The Junior Varsity however defeated Alemany to make up for the Varsity loss. The Knights improved their wrestling, hoping for a league victory against Bishop Amat. These plans were foiled though, suffering another loss from the Lancers. The J.V.'s tied Amat.

After the regular season, the varsity chalked up a 3-4 record in dual meets while the Junior Varsity went 5-1-1.

This is not exactly what the team had in mind this season, but they are looking forward to next year with some prospects from the J.V. squad. Special thanks goes to coach Mulligan and asst. Kevin Maloney. This was Coach Mulligan's fourth year as the wrestling coach, and we are looking for many more years of his help.

SOCCER HAS BEST SEASON EVER

The Golden Knight spirited tradition was carried on to the soccer field.

Jim McGrory chases down opposition

The Golden Knight soccer team battled through one of the toughest seasons in its three year history. Headed by Coach Cherif Zein, one of the most renowned coaches in Southern California, the Knights played some topped ranked teams in the C.I.F. Losing to second seeded Crespi and ninth seeded Loyola by only one goal and defeating second ranked Muir 2-1. The second Knight win came on a victory over Pater Noster 5-1.

When league play began the Knights came with in one goal of winning the first two matches against St. John Bosco and Notre Dame. When confronted with Loyola for the second time, the Knights had the lead three different times, but could not pull off the victory losing 4-3. Loyola scored the winning goal in the last forty seconds. The same situation occurred against S.J.B. when the Braves scored the go-ahead goal in the final ten seconds.

The Knights had the most starting Freshmen in the Del Rey League with three. All but three of the starting team will be back next year. And so it appears to be very promising.

THE BACKPACKING CLUB

Yosemite Valley

Winter at Lodge Pole

This year, the Saint Francis Backpacking Club has become more active than in previous years. With the active junior leadership of presidents Carlos Albuerne and Dennis Slavin, and the club moderator Fr. Fintan, the Backpacking Club has resumed its traditional Christmas vacation to Yosemite National Park. The group mounted the infamous Vanagon with the gear and cross-country skis eager to leave on departure day. Upon arriving in Yosemite Valley there was no snow to ski adequately, so the members decided to set camp and enjoy the vistas to be seen. No sooner said than done, a continuous rainfall besieged them. After a night's sleep and over 24 hours of downpour they chose to leave only to return at a later date.

Their next camp was Lodgepole, located in Sequoia National Park at roughly 7,100 feet, after a night's stay in a Franciscan monastery in Fresno (many thanks for that warm and dry place!). The little snowfall had enabled them to take to their skis for some fun. However, when nightfall came, it was a different story. Unable to start a campfire with wet wood they settled in early in their tents because of the bitter cold. After a night of — 15°C low and a high of — 1°C in the day, not to mention numerous frostbitten toes, they left for the sanctuary of their homes.

In addition to the Christmas trip there was an Easter vacation trip, and several overnights in the nearby San Gabriel Mountains. The Backpacking Club has proved to be a club of action for the outdoor minded. Backpacking cross-country skiing, and sightseeing are only a few of the activities. Hopefully the summer will provide even better times for such activities.

THE ACHIEVERS

The California Scholarship Federation, a club designed to honor students of academic excellence has appeared as just a title and not an active club until recent years.

The club resolved not only to service the school, but also to plan some activities for their own social and intellectual stimulation. With help from officers Peter Pancione, President; Kevin Cordano, Vice President; Victor Amaya, Treasurer; and Chris Maloney, Secretary; the club organized a Catalina Trip, a visit to the Huntington Library and Art Museum, a concert, a theatrical play entitled Napoleon a 1927 classic by Abel Gantz, a beach party and the annual night at Disneyland.

Members must maintain a grade point average of 3.5 to retain club membership. At graduation, those seniors who have maintained membership in the federation during four semesters receive the Sealbearer pin.

SENIOR MEMBERS: Meruj Apamyan, Vincent Barbato, Hilaire Brosio, David Bond, Louis Cesario, Brad Dawn, Oscar DeOca, Jeffrey Ekoniak, John Emme, Mark Feeney, Michael Gallagher, Martin Gonzalez, Chris Johnson, Miguel Jorge, Tom Klem, John Drappman, Michael Laba, Chris Maloney, Robert Mrozek, Sam Nese, Paul Pagnone, Peter Pancione, Paul Sustayta, Robert Torres, Luke Welsh.

THE DEBATE TEAM

Under the leadership of Miss Suzanne Cugene, the first St. Francis Debate Club posted a 2-1 record in the team competitions and has taken part in several individual competitions.

The team competitions were mock trials judged by real judges at the Los Angeles County Court House. In these trials, Alex Lombardo and Pat Beauchamp were convicted once and acquitted twice of assault and robbery. Other participants included Arnie Von Massenhause, Vince Ewing, Carlos Ayuso, Kevin Taylor, Bill Chase, Greg Saurez, Mondell Metz, John Cookson, Mark Mozilo, Volker Meinardus, and Arthur de Lorimier.

Miss Cugene is very enthusiastic about the club and although she believes it will take two or three years before the team will really flourish. She remarked, "My boys at St. Francis are real winners and they will win!"

Congratulations to our son Volker and appreciation to the fine staff of Saint Francis High School. We appreciate the education received and trust this will form the basis for future success.

“ABBONDANZA”

The Italian Club has returned to the Saint Francis campus with an “abbondanza” of enthusiasm. Father Joseph Quattropane founded and moderated the Italian Club.

The tracing of family lineage, guest speakers, and reports on any topic concerning Italy or Italian culture made up the activities of the Italian Club. To do this, the club has read certain articles describing Italian lifestyle in the magazine *Attenzione*. The club also held cuisine days when zesty Italian dishes were shared among the members. The intention of the club was to increase the students’ knowledge of his Italian heritage.

The Italian Club officers were President Paul Pontrelli, Vice President Paul Pagnone, and Secretary/Treasurer Vincent Stamegna.

FRENCH STUDENTS "ENTOURDIENT" IT!

Mt. Saint Michel

"What did you say?"

"Aren't we having fun?"

As in the past, this year's French Club has kept its emphasis closely upon individual development. Slide presentations, a visit to a French class at U.S.C., a French cheese tasting party and the like have given students taking all levels of the language an added insight into French culture. With the "Partie de Noel" on December 21, the members gained a better understanding as to how their classes stood up to those of other schools because of Ramona Convent's French Club's participation.

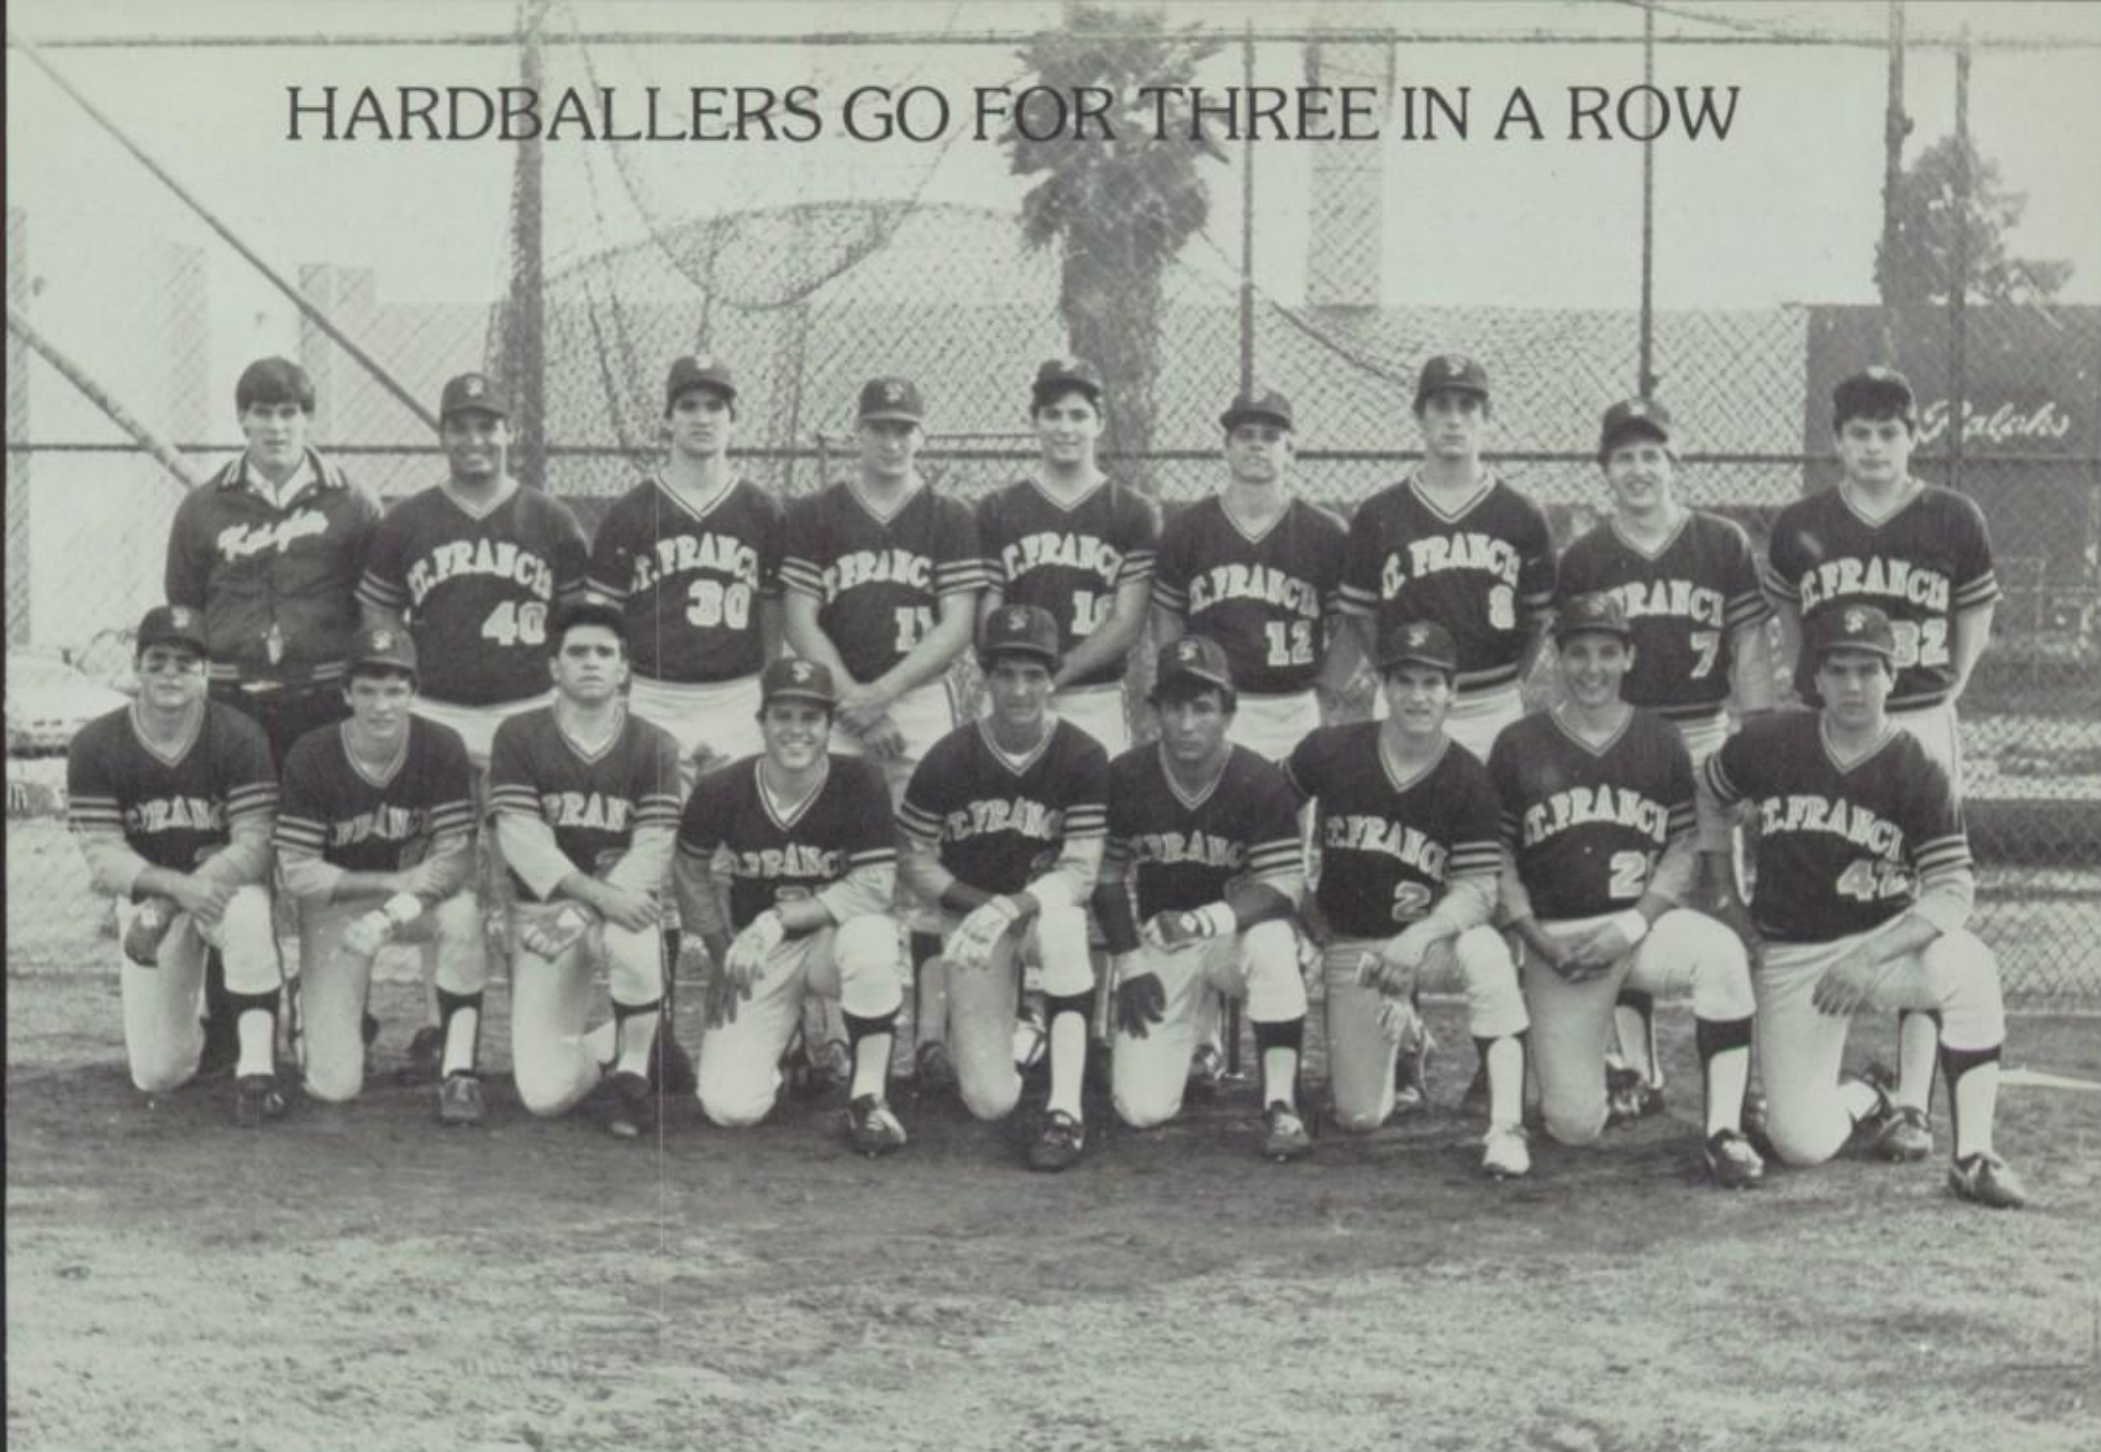

Towards the end of the year, the club celebrated its annual awards banquet on May 19, with a fine dinner and skit by the French II members who were present. The 1981-82 French Club's activities left fond memories upon those who participated, and gave enjoyable precedents for French Clubs in future years. The French Clubs officers were President Dave Falicia, Vice President Kevin Jerome, Treasurer Nhien Ngu, and Secretary Stephen McGrory.

To meet and improve upon last year's record, the Knight Netters, under Coach Drew Sorensen, set their efforts on a berth in the C.I.F. playoffs. With veterans Luke Welsh, Randy Barvin, Glenn Maarse, Sean Foong Chong, Skip Lonegan and Art Hernandez, the team faced their competitors confident of victory.

In his second year, Mr. Sorensen hoped to use the team's power ability and speed to its fullest potential. Things were looking up for the Netters.

St. Francis goes 5 OTs in upset win

Jim McElwee's only two points of the night were the margin of victory as St. Francis upset highly ranked Crespi, 115-113, in five overtime periods Friday night in the Knights' gym.

Crespi, fifth-ranked in the CIF-SS 4A division, suffered its first Del Rey League loss after winning seven straight. Crespi is 17-3 overall. St. Francis finished its season at 1-7, 5-15 overall.

The Knights rallied in the final quarter of regulation play to send the game into overtime. For four periods neither team could forge ahead. In the final overtime, Chris Nickhevich put Crespi in front 113-111. Ken Johnson tied it at 113 and with just seven seconds remaining, McElwee put in his game-winner.

The prospects looked good for this year's Golf Team. The Varsity Squad won their opening match against Glendale. This year's team was composed mostly of returning Seniors and Juniors. Unlike past years, when the team has had to rely on many younger players. The team was led by Captain Mark Mozilo, who consistently came in with low scores. Coach Brother Bernard hoped for consistent scores, and good depth from the lower ranked players.

The Junior Varsity team, used as proving grounds for the Varsity, saw five freshmen members. St. Francis should, enjoy a few years of good golfing in the future.

FACULTY

AND

ADMINISTRATION

1

The Principal of Saint Francis for five years, is Father Thomas Blomberg (pics. 1 and 2). He is a graduate of Fort Wayne High School in Indiana and Mt. Calvary's Seminary in Wisconsin; he also studied in the Capuchin Seminary in New York. Father Thomas came to Saint Francis in 1964 teaching Biology and Mathematics. He left us for a while until his return in 1977 when he became our principal.

Just his mere presence gives spirit and pride to our school. Father Thomas teaches Sophomore Ethics. He enjoys serving mass on Sundays at Sacred Heart Flintridge.

A graduate of Saint Francis, Fr. Joseph (pics. 3, and also 2 and 8 on the next page, and 3 on page 141) is currently serving as Vice-Principal and is teaching Comparative Religion and Marriage Preparation. He is also a member of the pastoral team at St. Bedes Church where he assists, especially in preaching at and presiding over the Sunday Eucharistic Liturgy. He holds a B.A. degree in philosophy as well as three master's and has state teaching credential covering secondary teaching, administration, guidance counseling, and specializing testing. He is currently involved in several professional organizations, and is the Chaplain to the Burbank-Glendale Club. Fr. Joseph's favorite hobby is racquetball and he is the moderator of Saint Francis' Racquetball Club as well as the Italian American Club.

Mr. Thomas Moran (pic. 10 on the next page and also 9 on page 133) attended Alemany High School and graduated in 1970. He attended Cal State Northridge and received his B.A. in English and also attended Cal State L.A. where he received his teaching credentials. Mr. Moran has been the Dean of Studies since 1977 and summer school Principal since 1978. He is known for his puns and pressure essays. Mr. Moran is the J.V. baseball coach, Public Relations Coordinator and English Department Chairman. Mr. Moran teaches American Dream and A.P. English.

Mr. Peter Brang (pics. 4 and 6, also 2 on the next page) is in his eleventh year at Saint Francis. Mr. Brang attended Baldwin Park High, and received a track scholarship to the University of Nebraska where he graduated. Mr. Brang is the proud coach of the Saint Francis cross-country team. He is also the financial adviser for the Alvernian. As Dean of Students, Mr. Brang encourages discipline and respect. Mr. Brang is also the head of the Social Studies department and teaches Advanced Placement U.S. History.

Mr. Drew Sorensen, (pics. 1 and 6 on the next page) a graduate of Redwood High School in Visalia, went on to attend U.C. Berkeley and received a B.A. in psychology and child development, and finished graduate school at U.C.L.A. with an M.A. in Education. Mr. Sorensen is Saint Francis' Director of Guidance as well as Dean of Activities which puts him in charge of all student activities and fundraisers. Mr. Sorensen manages and is responsible for all student clubs. He also coaches the Saint Francis tennis team, and J.V. basketball.

(pics. 5 on the next page)

Mr. Terry Terrazone is in his second year as Athletic Director and he has much to be proud of, for his teams are quite talented and have much potential. Mr. Terrazone attended P.C.C. where he played on the Junior Rose Bowl Team. He has also attended the University of Redlands where he received a B.A. in History. Mr. Terrazone has also worked for the Federal Reserve Bank for two years. Mr. Terrazone teaches Sophomore History and is an assistant coach for the awesome varsity football team.

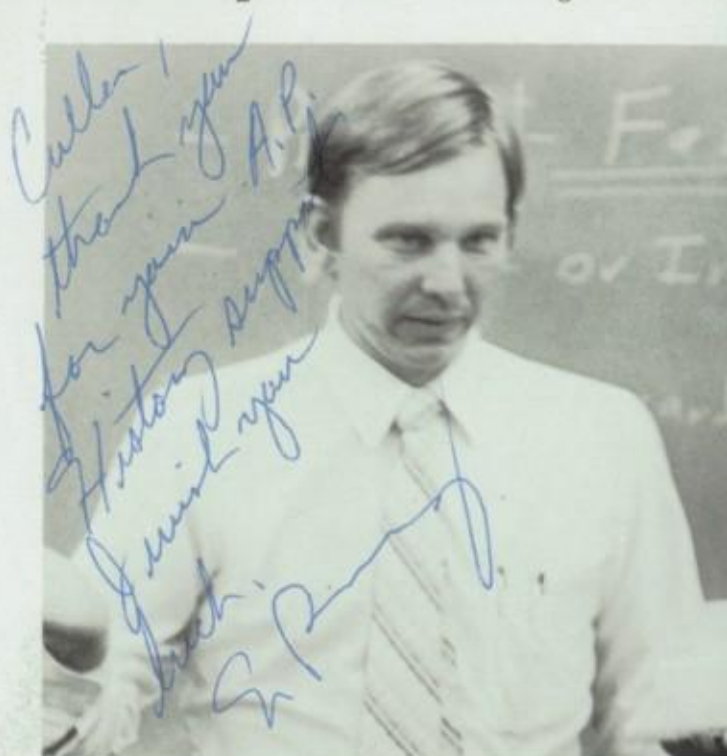

Mr. Ken Deasy (pics. 5, and also pic. 9 on the next page) graduated from Saint Francis in 1972 and attended Skyline University and St. Albert's in Berkeley. Mr. Deasy spent some time in the Capuchin Order and taught at Saint Francis. At that time he also moderated the Pep Club. Mr. Deasy is now the Director of Development, Alumni Association, and Boosters. This year Mr. Deasy, as moderator of the Pep Club, has urged more student spirit.

Dr. Jorge Gelabert-Megret (pics. 2, also on the next page, 2 and 6) has been very dedicated to his profession throughout his life. Dr. Gelabert-Megret attended the Universidad de la Habana where he received his Ph.D. in his history and an LL.D. to be a lawyer in Cuba. At the Instituto de Santiago de Cuba he achieved a Bachelor in Arts and Science. At New York University, New York City, Dr. Gelabert-Megret received a Master's in Arts. Dr. Gelabert-Megret is licensed in diplomacy and government. Dr. Gelabert-Megret has also attended U.C. Berkeley and Columbia University, New York. He teaches Spanish II, III, and IV. Though he has left Cuba he still tries to reestablish democracy in his native country. Dr. Gelabert-Megret plans to help his students "speak" the language they are learning.

Ms. Barbara Anne Woods, (pics. 4 and also 3 and 5 on the next page) a rookie here at Saint Francis, studied Spanish for one year at the Universitia de las Americas in Mexico, where she also taught a self-defense class for women. She then returned to the United States and earned a B.A. at the Monterey Institute of International Studies. She then went to U.C.L.A. where she did her graduate work in Latin American Studies. Ms. Woods teaches Spanish I and Sociology. Her past and present hobbies include: piano, horseback riding, travel, and (look out Fr. Chris!) karate and self-defense.

As head of the Saint Francis Language Department, Mr. Paul Reed Arigan (pics. 1 and 3, also 1 and 4 on the next page) holds several B.A. and M.A. degrees and is currently pursuing a Ph.D. at U.S.C. He is also the recipient of the Diderot Medallion which is awarded by the French Government for service in the teaching French. Mr. Arigan is in his eleventh year of teaching and has taught at U.S.D. and at Loara High School. He is presently teaching at U.S.C. as well as at Saint Francis. A former chairman of the Archdiocesan Commission for Foreign Language Education, Mr. Arigan is the author of a doctoral dissertation on the meaning of literary influence and of Jansenism in twentieth century French literature. He moderates the Alvernian, the French Club, N.H.S., and C.S.F., as well as teaching French I, II and III, German I and II and Latin II.

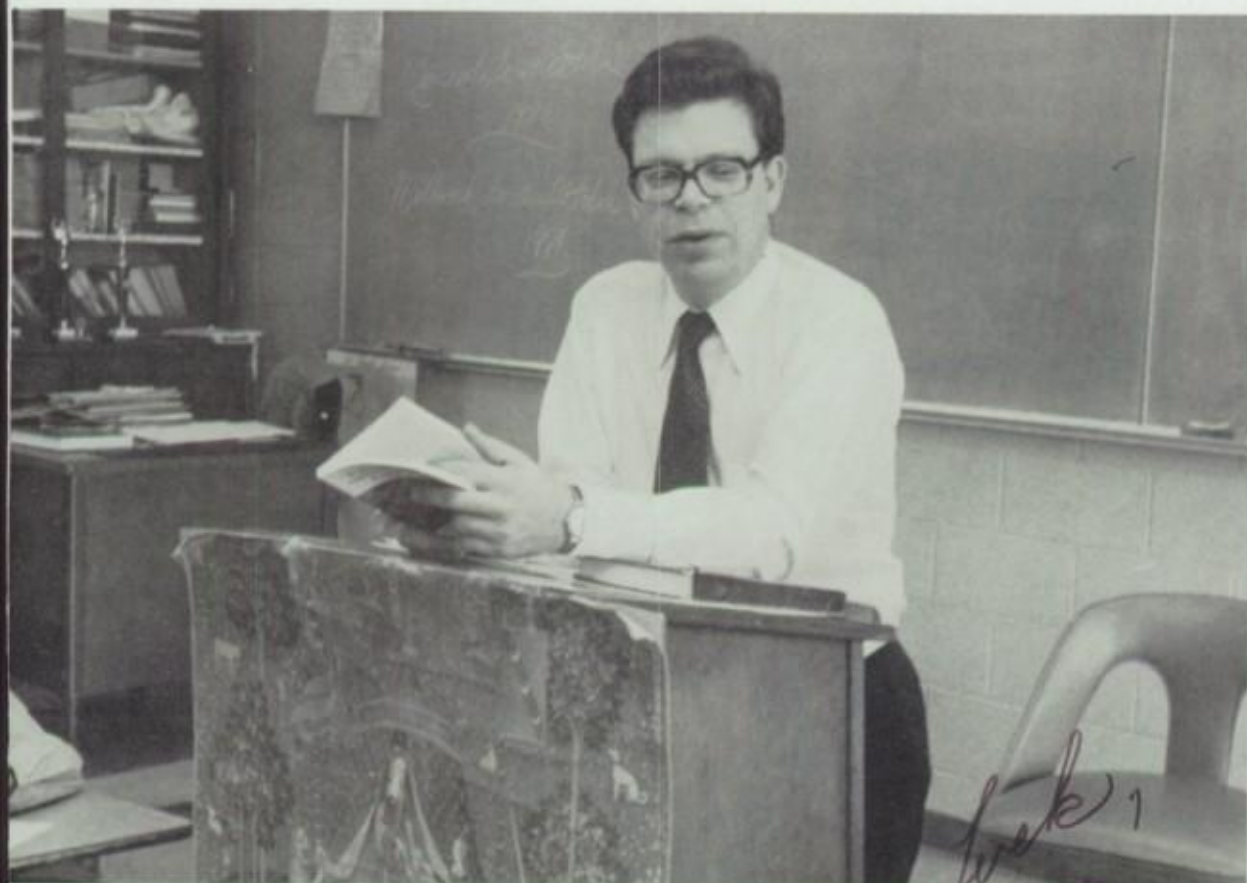

Mr. Manuel Ramon Nunez-Escoto (pics. 5, also 7 on the next page) is a graduate of Notre Dame High School and Loyola Marymount University. He is currently working on an M.A. in International Relations at U.S.C. as well as a Certificate Program in English-Spanish translating and interpretation at U.C.L.A. Mr. Nunez is a member of the Los Angeles World Affairs Council and is the moderator of the Spanish Club. Mr. Nunez enjoys travelling; he has travelled throughout Mexico, Central America, and the Caribbean, and is planning to spend all of next summer in South America, especially in Brazil, he teaches Spanish II and Physical Education.

Stanford University's Mr. Michael Bowen (pics. 3 and 5 on the preceeding page) is a graduate of the class of '77 in which he obtained a Bachelor's Degree in English with distinctions and highest honors. During his stay he acted in two Shakespearean plays. He later went on to graduate from Harvard University, with his Master's Degree in English and American Literature.

A new member of the faculty, Ms. Sue Cugene (pics. 6, and also 6 on the preceeding page) attended Gonzaga University where she received her English B.A. in 1968. She went to California State University Sacramento for her graduate schooling and received her English M.A. in 1974. She taught for ten years at Rio Linda Senior High School in North Carolina and was in the army for two years of active duty. She is presently teaching British Literature and Debate. Ms. Cugene is active in the Science Fiction Club and will be teaching Italian in the Italo-American Club. Her debate class will be participating in a mock criminal trial in Los Angeles. She is interested in photography and has done some amateur theatre work.

Mr. Chip V. Johnson (pics. 5 and also 2 on the preceeding page) graduated from Pacific University in Oregon receiving a B.A. in Education. He is currently teaching Communications Media, Speech, and Business Law. He is also the head coach of the sophomore football team and the Saint Francis Track Team. A member of Saint Francis' class of '71, he played basketball, track and football, and was a student body officer. His interest include jazz, music, playing percussion instruments and coin collecting.

New to the Saint Francis campus is Mr. Robert Laird, (pics. 4 and 7) who graduated with a Bachelor's Degree in English and Cal State Northridge. He began his teaching career at Cal. Prep. School in Encino. Most recently he taught at Pater Noster High School. He is interested in working with a group of students who are interest in writing a short story and/or poetry book for school publication. Mr. Laird enjoys reading and writing science fiction. He has one story and three to four poems published in a montly journal called "Hatching Moon," which is put out by the Topanga Writers Guild. Some of his favorite diversions are running, swimming, jogging, and cycling. He also enjoys classic in music and literature. Mr. Laird is presently teaching sophomore and freshman English.

Mrs. Valerie Larsen (pics. 3, and also 4 on the preceeding page) graduated from Fountain Valley High School and went on to attend Golden West College, El Camino College, and the University of Arkansas, where she received a B.S.E. degree. Mrs. Larsen previously taught school in Arkansas. Mrs. Larsen enjoys sports, travel, reading and playing the guitar. She is the counselor for the sophomore class and the copy moderator for the Alvernian. Mrs. Larsen teaches Freshman English.

Mr. Jerry McClain (pics. 7 and 8 on the preceeding page) is a graduate of Pasadena High School where he was senior class president and letterman in varsity basketball and baseball. Mr. McClain also attended U.C.L.A. where he was noted as an outstanding junior. He also lettered in baseball and was the winner of 5 Spring Sing Awards as well as being Vice-President of Blue Key. He went into private business for 8 years as co-owner of Brother Love Productions, acting as producer of records and commercials. Mr. McClain has also taught and coached at Daniel Murphy High School. In his first year at Saint Francis, Mr. McClain is teaching Study Skills, Art, and Computer Science. He is involved in the Saint Francis Choir and is the frosh basketball coach.

Mr. Bert Voorhees (pics. 1 and 2, also 1 on the preceeding page) graduated from the Oral Roberts University in 1975 with a B.A. and in 1977 received his M.A. Mr. Voorhees is perhaps known best for his liberal views but is also a freelance writer and publisher. Mr. Voorhees is the new and inspiring moderator of the Knight Breeze. He is also moderator of the Ski Club and Surf Club. Mr. Voorhees is also a chairperson of the Board of Directors of the Child Educational Center. Mr. Voorhees teaches Contemporary Issues, American Literature, Philosophy, and Journalism 1 and 2.

He is a former parole agent for the California Youth Authority and radar operator in the Air Force. He is currently a member of the Air Force Association. Br. Mark is teaching Economics, Psychology, and California History. He also enjoys hiking and swimming.

During his first year here at Saint Francis, Mr. Joseph Reilly (pics. 1 and 4, also 1, 7, and 8 on the next page) was a member of the U.S. Air Force. He was also a truckdriver for three years before attending U.C.L.A., where he received his Master's Degree. Mr. Reilly has taught in the past at Notre Dame High School and is presently teaching at the College of Canyons, and he is also working on his Ph.D. Mr. Reilly teaches U.S. History and Ancient History. He enjoys marathon running and is a fanatical Yankee's fan.

The Saint Francis Varsity Basketball coach, Mr. Neville Saner, (pics. 5 and 6, also 3 on the next page) attended Mira Costa High School in Manhattan Beach, California. He then attended U.C.L.A. where he played on two N.C.A.A. Championship Basketball Teams in 1967 and 1968. His U.C.L.A. background has been very beneficial to Saint Francis because it has enabled him to take the basketball team to a U.C.L.A. practice. He has been teaching since 1972 and last taught at Alemany High School in Mission Hills before coming to Saint Francis. He is currently teaching Ancient History and Advanced Physical Education.

Mr. Chris Valente, (pics. 3, also 2, 4, and 6 on the next page) a native of upstate New York, came to California and studied at P.C.C., U.S.C. and U.C.L.A., where he received his M.A. in Social Science. Mr. Valente has previously served as the Honorary Mayor of La Canada. He is very involved in community affairs. He teaches Civics.

The head of Saint Francis class of 1960, Father Christopher Kearny (pics. 1, and 3, 4, and 6 on the next page) attended St. Anthony's College in New Hampshire, and graduated from the Capuchin Theological College in New York with a Master's Degree in Theology. Fr. Chris has been teaching at St. Francis since 1969 and he is presently teaching Biology Lab, and Astronomy. Fr. Chris is in charge of the maintenance of the grounds and also in charge of the detention crews.

After four years of rest and relaxation, Mr. Sam Costantini (pics. 2 and 7 on the next page) has rejoined St. Francis. Mr. Costantini graduated from Saint Francis in 1977. During his four years of rest and relaxation, Mr. Costantini attended the University of California at Irvine where he majored in Biological Sciences and worked in a research lab on a project concerning the coincidental effects of cancer and alcohol on mice. He graduated with a B.S. degree in June, 1981. He also worked at the Huntington Beach Free Clinic. Mr. Costantini teaches Chemistry and Health. He coaches the Freshman football team and enjoys scuba-diving and racquetball.

Fr. Fintan, (pics. 2, also 5 on the next page) a native of Dublin, Ireland, attended St. Paul's Secondary School in Dublin. He received degrees in both engineering and philosophy. He entered the Capuchin Order in 1953, and was ordained a priest in 1960. He was appointed novice master at Santa Ynez, California in 1968. From 1968 to 1970 he was the associate pastor at Roseburg, Oregon. He came to Saint Francis in 1970 and is currently teaching physics and mechanical drawing. He is a minister at St. Andrews, Pasadena and is the moderator of the backpacking club.

The head of Saint Francis' Science Department, Mr. L. G. Rodriguez, (pics. 3, also 1 and 8 on the next page) and was born in Blythe, California and graduated from Palo Verde Valley High School. He attended Xavier University and U.C.R. A retired army Lieutenant, he served at Fort Sill, Oklahoma, Fort Bliss, Texas, and in South Vietnam from 1969-70. In 1970 he married and a year later he began teaching science at McKinley J.H. He began his St. Francis career in 1973 where he has taught Spanish, Physical Education, and Physical Science, and is currently teaching Biology and Advanced Biology. He has coached Frosh Football and J.V. Baseball. When asked what his greatest achievement is he responded, "I am the ONLY Rodriguez ever, in the history of the school to graduate from Xavier University."

Alvernian Memories

Paulette who? . . . There goes one deadline . . . Not another halftime session . . . You were printing all night . . . Ohhh Boy! . . . Now I am really sick . . . **NOT ACCEPTABLE** . . . How come all the Italians have all the good staff positions . . . Hey Dan, there is something moving in the bathroom — I think it is alive . . . What's wrong with this section . . . Just leave . . . Well the copy is done . . . When was the deadline? . . . A picture of your house! — on our film . . . Trying to work with the smacks . . . When was I supposed to have that shot in-last month! . . . I should have been an editor . . . Hey Dan, when is the wild Alvernian party? — Not soon enough . . . Should we bring Mickey or Henry? . . . O.K. whose in charge of photography today? . . . Cullen Lee wins Pulitzer Photography award of 1982 . . . Arnieeeee!!!! . . . Who took the dart board? . . . Falacia finally took a non-blurred picture . . . We need more money . . . The Name Drive-a deal you can't refuse . . . What happened to the door? . . . The heater works!!! . . . The room below . . . I'll start selling ads tomorrow . . . Who's got the Cross Country Pictures!!! . . . Knight Breeze staff pictures . . . sell more ads!!! . . . Name Drive Mobilization . . . Jeff, the deadline was last week! . . . Samurai photography . . . Where are the Quad-pacs? . . . What do you mean "Beef."

Mauvezin with a few of his things.

I don't think they knew how to use these things.

The entire staff with some extras — Krappman!

The writers doing their thing with Mrs. Larsen.

The business managers were bummed that there was no money in the office, so they went to the man with the real cash, Fr. Chris!

This Has Been

A . . .

Headlining the news tonight:

Poland woke up to martial law this morning. Following months of intense confrontation with Lech Walesa's labor movement Solidarity, Prime Minister Jaruzelski ordered mass arrests and a communications blackout.

— Kidnapped U.S. General William Dozier was freed from his captors, the Italian Red Brigade. Local authorities searched for more than 40 days, before finding the N.A.T.O. logistics chief; the first Red Brigade prisoner to be released unharmed.

— Egypt mourns its slain leader Anwar el Sadat. The recipient of the Nobel Peace Prize, Sadat was murdered by members of his own army, while reviewing a military parade.

— The Los Angeles Dodgers have won the World Series. The Cy Young Award was received by pitcher Fernando Valenzuela, recruited from the Mexican Major Leagues.

David Stockman, President Reagan's Budget Director, became victim of a "Trojan Horse" remark made in an Atlantic Monthly article. Stockman, however, survived the critics, who labeled Reaganomics as a "trickle-down theory."

President Reagan kept a campaign promise as he nominated Justice Sandra Day O'Connor, the first Supreme Court woman Justice. Her appointment was met by opposition from Right-to-Lifers.

Reds, Raiders and On Golden Pond captured the most attention during the recent Oscar nominations. Veteran screen stars Katharine Hepburn and Henry Fonda were considered the "sentimental" favorites.

The city of Los Angeles concluded a year long series of events commemorating its bicentennial. A mosaic representing the Annunciation was unveiled at the historic mission by Los Angeles Archbishop Cardinal Manning.

Charter member of the Sage Brush Rebellion, and Enemy Number One of the Sierra Club, Interior Secretary James Watt revealed plans to lease the mineral rights of Yellowstone Park, for commercial development.

Finally, the weather continues to improve, following the record sub-zero temperatures due to the "Siberia Express."

Although the tension in Poland was major news around the world, in our school the topic was not one that overly concerned us or one we enjoyed hearing about. The news we liked to hear was about the things we as students participated in. We were proud of our Wrestling team's win over hometown favorite La Canada. We might soon forget Natalie Wood's death or the controversy over the opening of the nuclear power plant at Diablo Canyon. But we would not forget the classes, people, or activities that made up the year. The Friday night dates, the Saturday when we sat around with our friends to watch Saturday Night Live, and the cram sessions before exams are the things likely to be topics of conversation ten years from now. What we did was usually more important to us than any news David Brinkley reported because we were the ones who made up the headlines. "... This has been a special report. We now return to the regularly scheduled broadcast, already in progress."

Special report

"My experience here? I've got mixed sentiments: there were some real good times present. The quality of the education and at the same time severe deficiencies," "just look at the state of the basketball program."

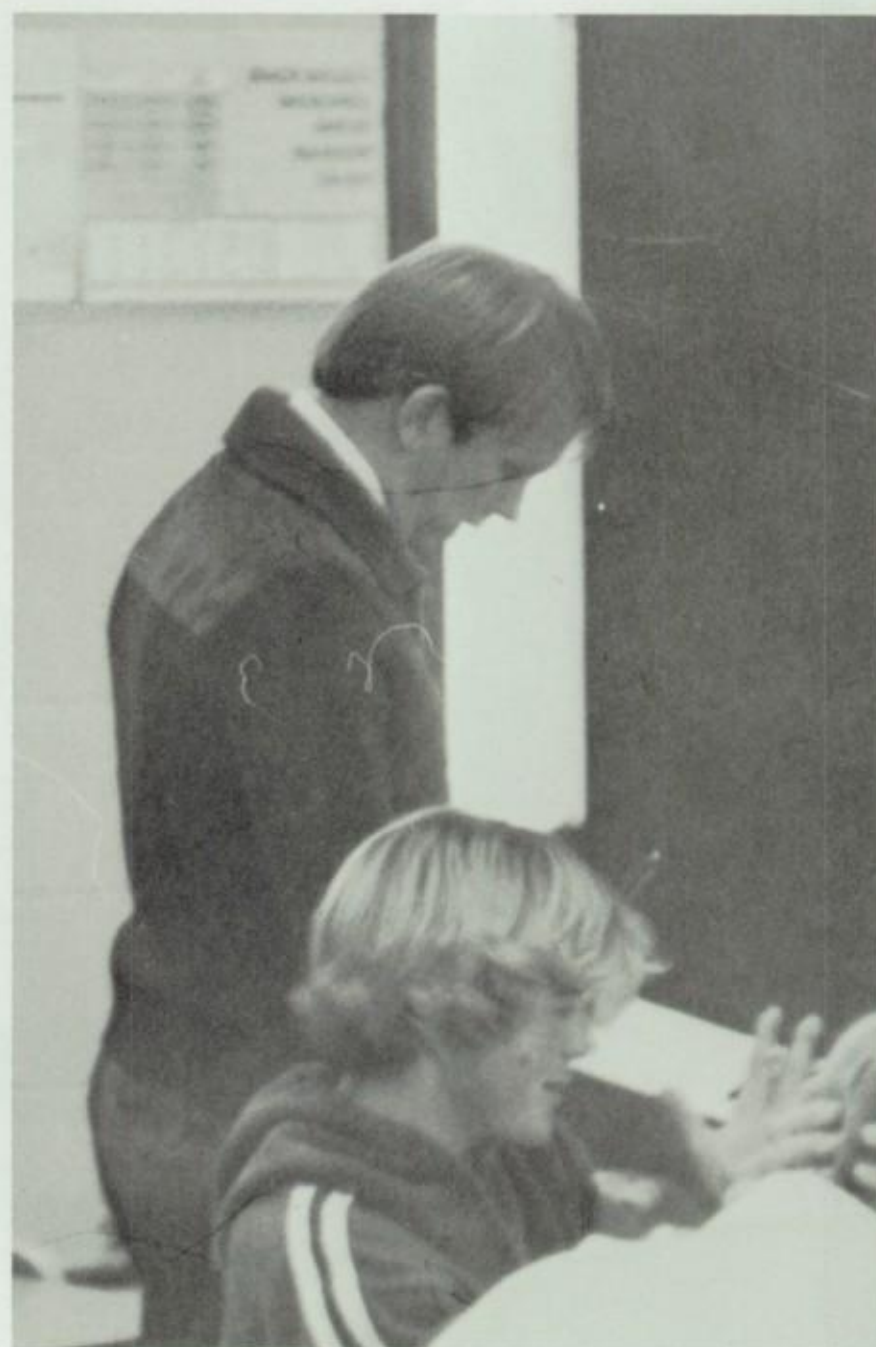

— Mike Gallagher

"Never has learning been so fun than at St. Francis. The exciting people, clubs, and activities made it an everlasting experience."

— Jon Ekoniak

"I like St. Francis mainly because the school spirit goes beyond the cheering section. Aside from the greater opportunities of getting involved in activities, I especially enjoy my Sophomore year for the simple fact that I'm not a Freshman!"

— Michael Chavez

"The Sophomore syndrome was bad enough, but this year was the hardest year I've ever had for homework — studying was difficult as well. There's just so much other stuff to do, places to go, people to see, etc . . ."

— Chris Carter

"This 1981-82 year had proven to be one to remember. We celebrated our victories and learned from our losses. But I will always remember the great times in my junior year at St. Francis."

— Louis Gamboa

Same thing only different

Not everything that happened came out good, but it was different. The place was the same; it was time that made the difference. Time had made the students a year older, and as the days progressed, a year wiser.

The following list enumerates the accomplishments and disappointments of the year. These points made the school year different and will serve as a key to other classes.

- Has Initiation met its maker?
- Library finally enters student life due to Sister Margaret-Mary's efforts.
- Mr. Deasy becomes Director of Development.
- The Junior class inherits Fr. Joe.
- New lights were installed in the stadium.
- Frosh-Soph and JV's won league titles in Cross Country.
- Sophomore football team won the Del Rey League title.
- The Debate Team came alive.
- Student Council does nothing.
- Varsity football hits slump.
- Seniors won the raffle for two years in a row.
- The Knight Breeze makes a comeback.
- There weeks for Christmas vacation.
- C.S.F. showed signs of life.
- February 1, first college acceptance letter.
- Seniors have two leadership days.
- Seniors claim "Unmitigated patience" with the administration.
- The Juniors make good on the yearbook.
- New lights

As I come to close up the 1982 Alvernian I am trying to recall all the experiences. This year we have seen highs and lows. Staff morale hit rock bottom in the fall as the first deadline passed without one page turned in. The rebound made later in the fall, I can see now, was due to the leadership of Mr. Arigan, and the never-say-die will of the staff. Those days are past, but their memory lingers on in the bottoms of our stomachs.

When I look through the pages on file I realize there are many points where the book could be improved and where events have been ignored. The overall book, however, is very well done, although there will be many people who will find flaws. I am proud of the accomplishments of our staff, and hope to see them continue next year.

I realize that the book would have been impossible without the support of the administration, especially Fr. Tom (to whom the book is dedicated), who arranged a generous budget to cover rising costs. To stop with Fr. Tom would be erroneous. Mr. Arigan, Mrs. Larsen, Mr. Brang and many others gave freely of their time. Mr. Arigan, especially, spent the early mornings, afternoons, football halftimes, weekends, and summer vacation aiding us in our job. There were also the behind-the-scene people-parents who let their sons stay up late at night working. Of these, Mr. and Mrs. Kreger, whose son did many an "all-nighter" in the dark room, are the most notable. Lastly, I wish to thank the student body who spent time for photo sessions, and provided the material for us to chronicle.

Sincerely,

*Daniel Howell
